## Jobs Offered at Army Depot for October Transfer

Job transfer offers are being made, and approval of some of the other aspects of the Granite City Army Depot inactivation plan by the U. S. Army Materiel Command, Washington, D. C., is still being awaited, it was noted in Friday's edition of the Granite City Press-Record.

A spokesman traced the inactivation steps taken so far as follows:

March 9, 1970—Establishment of the Special Employment Office.

Job opportunities, both in other governmental agencies and in private industry, were made known to employees by the Civilian Personnel Officer in the form of published letters, "Civilian Employee Personnel Information."

Many interviews were arranged for those interested in applying for advertised job opportunities.

March 10—Worldwide drawdown began.

March 23—General notice issued, permitting employee entry on Defense Department lists.

April 10—Inactivation plan submitted to AMC.

Expand Commissary Staff

May 21—Increase of 32 job spaces in the Commissary.

May 28—Critical requirement for military housing in the St. Louis area, with discussions under way on construction of additional family housing on the Depot.

The AMC dispatched a letter stating that it still recognizes a requirement for construction of 102 additional family housing units at the Depot in the fiscal years 1972-1976 time frame.

June 12—Firm offers for jobs in night-vision maintenance at Tobyhanna, Pa., Army Depot and for jobs in topographic and reproduction maintenance at Tooele, Utah, Army Depot were issued to personnel accepting transfer with the functions.

Inactivation procedures projected for future dates are given below:

June 25—Plan required for transfer of certain maintenance functions to Tooele Army Depot.

June 30—The 688th Light Equipment Maintenance Co. departs by this date.

Retirement Deadline  
July 31—Probable deadline for retirement with projected in-

## 11 Local Graduates At U. of I. Saturday

Eleven Granite Cityans were among the record-breaking 4783 students who received degrees from the University of Illinois at Urbana-Champaign during the annual commencement exercises Saturday in the Assembly Hall.

Local students include Althina Spaskos, Michael Charles Forcade, Ralph Ervin Gauen, Diane Sue Kinney and Donna Lee Kinney; all received a Bachelor of Science degree.

John Lynn Matras received a Bachelor of Arts; John C. McCarty a Bachelor of Fine Arts; Pamela Ann McCallum, Master of Arts; Alphonse J. Pranzitis, John William Prater both received Bachelor of Science and Linda Lee Prater a Bachelor of Arts.

There were 3436 undergraduate and professional degrees and 1347 advanced degrees conferred by President David D. Henry during the ceremonies.

Commencement speaker was Dr. Allen S. Weller, dean of the College of Fine Arts and Applied Arts at the University.

## Transportation Society Honors William Russell

The board of directors of the American Society of Traffic and Transportation is announcing the election to certified membership of William A. Russell of Granite City.

Russell is employed as a freight traffic agent for the Louisville & Nashville Railroad in East St. Louis. He was elected for having successfully completed the society's professional transportation examination program which was established by the transportation industry in 1948.

## County's Birthrate Increases in May

The county's birthrate totaled 332 infants during May, an increase of 53 over May 1969, it was reported over the weekend by Miss Eulalia Hotz, Madison county clerk.

A total of 172 deaths was reported, an increase of 39 over last year for the same month, while there were 221 marriages, 35 less than last year.

Included in the births were 170 boys, an increase of 30, and 162 girls, an increase of 23. One set of twins were born this year

MacMurray Dean's List  
Linda Ellen Lybarger, a daughter of Mr. and Mrs. Charles Lybarger of 1820 Primrose avenue, is listed among the 130 students at MacMurray College in Jacksonville, who have been named to the Dean's List for the second semester of the 1969-70 academic year. The students are cited for high scholarship while taking a minimum of 14 hours of academic work and receiving a 3.50 average or above.

and two sets in May of last year.

## Guide Walls Planned at Canal Locks

A tentative appropriation of \$750,000 for repair and improvement work at the Chain of Rocks Canal locks has been given approval by the House Appropriations committee in Washington and when approved by the Senate will be the first phase of a three-year project costing an estimated \$10,000,000. A spokesman for the Corps of Engineers said the initial appropriation will be for award of the contract during the 1970-71 fiscal year for building guide walls at the upstream and downstream gates of the locks and also to repair the upstream gate sills.

### Trainee Assigned

Airman Eugene C. Livingston, son of Mr. and Mrs. Bennett C. Livingston of 2623 Adams street, has completed basic training at Lackland AFB, Tex. He has been assigned to Sheppard AFB, Tex., for training as a medical services specialist. He is a 1969 graduate of Granite City high school and attended SIU.

## Mrs. Fern Wilson, 78, Dies of Heart Ailment

Mrs. Fern L. Wilson, nee Robbins, 78, of 3016 Forrest avenue, died at 1:35 p.m. Thursday at home. She had been under the care of a physician for a heart condition for several years. She was pronounced dead by Coroner Robert Thomas.

Born in Hastings, Iowa, Mrs. Wilson resided in Doniphan, Mo., until nine years ago when she moved to Granite City to make her home with a son-in-law and daughter, Mr. and Mrs. Robert L. (Annette) Walsh of the Forest avenue address.

Other survivors include a son, James J. Wilson of Carter Lake, Iowa and five grandchildren. Her husband, Robert H. Wilson sr., and a son Robert H. Wilson jr., preceded her in death.

Funeral services were held today in Iowa. Arrangements are given in the obituary column.

### Intruders 'Lightly' Ransacked Supply Co.

Intruders entered Sidener Supply Co., 1101 Nineteenth street, through a restroom window early Thursday morning, "lightly" ransacked the building and left through a back door, according to a police report. Robert Johnson of the plumbing supply firm informed authorities Thursday afternoon that nothing appeared to have been taken during the break-in.

## Mrs. Chaboude Attends Status Of Women Meet

Mrs. Lily P. Chaboude, a member of the Governor's Commission on the Status of Women, is presently exploring the possibility of a conference for this area with members of the Commission coming here to hold open hearings. "The meeting could be extremely helpful to the people of management as well as the working woman," Mrs. Chaboude said.

The local representative recently attended a conference in Washington, D.C., where representatives of the Governor's Commission on the Status of Women of the 50 states met. An interstate association was organized at that time to be governed by the same rules as the State Commissions.

Although the Commission is not a policy making group, the members hope to make recommendations to the national law makers, Mrs. Chaboude said. A resolution endorsing the Equal Rights Amendment was passed at the meeting. This Amendment, which would effectively end legal discrimination on the basis of sex, has been brought before every session of Congress since 1923. It has been passed twice by the Senate and defeated in the House, the local commissioner said.

The National Federation of Republican Women, the National Federation of Democrat Women and the National Federation of Business and Professional Women have endorsed the bill.

### Denies Shooting Report

Myrtle Ogle, operator of Jerry's Tavern, 1340 Madison avenue, denied yesterday that a window in her tavern was broken early last Friday by a bullet. She said a police report that several shots were fired at the front of the tavern building by two men who are believed to be persons who created a disturbance in the tavern earlier was erroneous. She said the window was broken by a heavy glass ash tray which was thrown from outside the building.

### Winshield Smashed

Herman Raub, 2810 Cayuga street, notified police at 8:45 p.m. Thursday the windshield of his 1964 auto had been smashed by vandals. Damage to the vehicle was estimated at \$150.

QUARTER-CENTURY CLUB inductee Walter Boneff (right), who was honored at the recent third annual banquet of Union Division, Miles Laboratories, receiving a jeweled award and five shares of Miles common stock from J. M. S. Dashwood, Union Division president, and John B. Buckley, group vice-president. Boneff was one of nine employees honored for 25 years service. B. J. Hunter, vice-president of domestic operations, presented existing club members with new five-year service plateau awards.

## Junior Memberships Offered by Channel 9

St. Louis' public television station, Channel 9, is offering a new program of junior membership for children 12 years of age and younger whose parents are family or individual members of Kets.

As a junior member, a child will receive a special membership card and decal, a Channel 9 beanie, and a coloring book featuring "Sesame Street" characters and other Channel 9 program personalities. They also will be able to attend Channel special events and will be helping to provide Kets with needed operating funds. Children of 25 family members may join free and children of \$10 individual members may join for only \$1.

Information on joining may be obtained by writing Maytag, 6096 Millbrook, St. Louis, Mo. 63130.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, 423-3131

## Registration Continues At Playground Centers

Registration will continue this week for children residing in the Granite City park district who wish to take part in the eight-week summer recreation program, Mrs. Helen Bjorkman, summer recreation director said today.

Youngsters in the second through sixth grades may register at the nearest playground center to their home. Mrs. Bjorkman advised, Centers are located at Community Center, 1412 Niedringhaus avenue; the Salvation Army Center, 1412 Nineteenth street; and Logan, Marshall, Parkview, McKinley, Niedringhaus, Nameoki, Webster, Wilson and Washington schools.

Sessions are held Monday through Friday from 9 a.m. to noon and from 1 to 3:30 p.m. Programs include arts and crafts, free movies, games, picnics, Junior Olympic Games, free recreational swims, singing, storytelling and special field outings.

A weekly tournament schedule presently is being formulated by recreational leaders, Mrs. Bjorkman said.

## Two from Area Get Divorces

Olivia Bourbon, 4310 Lake drive, Nameoki township, was granted a divorce from George Bourbon in a decree issued by Circuit Judge James O. Monroe. The court awarded Mrs. Bourbon \$145 monthly alimony, title to the property on Lake drive, title to a 1964 family auto and household furnishings.

The couple was married Dec. 15, 1948, and separated last May 17, according to the decree. Mental cruelty was charged. The proceeding originally was initiated as a separate maintenance petition but later was amended to a divorce complaint.

The decree provided also that Mrs. Bourbon sign over to Bourbon her rights to a 37-acre tract of land in Missouri and forego any interest in the sale of the tract. Bourbon also was awarded title to a 1968 truck and lumber and tools at the family home.

A decree of divorce also was granted by Circuit Judge William Beatty to Shirley Edwards, Madison, against Carroll Edwards. The decree states they were married Sept. 9, 1967. Mental cruelty was charged.

### Vandals Break Windows

Vandals smashed five large windows at the home of Mrs. Lucy Stewart, 3200 Wabash avenue, it was reported to police Thursday. Cost of replacing the windows was estimated at \$150.

Granite City PRESS-RECORD  
Mon., June 22, 1970 Page 3

## Plan Talk to Young Pupils on Occupations

A committee to provide occupational information to elementary school children is meeting at the Granite City board of education office, and citizens with knowledge of vocations and professions will have an opportunity to take part in the project.

Eight elementary teachers and two guidance counselors are investigating and developing materials and activities presently available. This three-week undertaking is being funded by the school district through budget provisions for school curriculum development.

The participants anticipate including occupations and skills of the local community. "Individuals who may be interested and who would be available at times to explain and demonstrate their skills to an elementary class would give the children a personal understanding of the many occupations within our area," a spokesman commented.

The committee will function, Monday through Friday, through July 2. Persons interested in contributing their expertise in a given field are asked to call 876-6600, Station 47.

## Miss Hinson is National President of Sorority

Miss Dorothy Hinson, 1530 Third street, Madison, was installed as national president of Phi Tau Omega sorority at the national convention in Des Moines, Iowa, over the weekend.

A member of Beta Chapter in East St. Louis, Miss Hinson has held the offices of national vice-president, organizer, corresponding secretary and treasurer. She is a past president of Beta Chapter, having served two terms, and has held a number of other offices locally.

Miss Hinson is a teacher of language arts and social studies at Coolidge Junior high school and has taught in local schools for 22 years. She is a past Departmental Chaperon of the Eight and Forty, past district president of the American Legion Auxiliary, and has been active in Girl Scout work for 19 years.

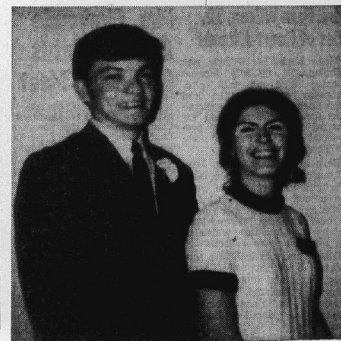

Phi Tau Omega sorority is a social and philanthropic group participating and assisting in many charitable activities. Besides Beta Chapter in this area, there are the Eta Chapter in Granite City and Delta Chapter in Alton.

MISS DOROTHY HINSON  
National Officer

Others attending the convention with Miss Hinson were Mrs. Norma Hillmer, Mrs. Donna Hillmer and Mrs. Jeanan Dorch.

A reception was held in honor of Miss Hinson after the installation of officers.

MR. AND MRS. PAUL J. RIGGINS whose marriage took place Friday at Sacred Heart Church. She is the former Cynthia Sue Hogan.

## Miss Cynthia Sue Hogan Is Bride of Riggins

Miss Cynthia Sue Hogan, a daughter of Mr. and Mrs. John Hogan, 3149 Aubrey avenue, and Paul Joseph Riggins, son of Mr. and Mrs. Charles Riggins, 2615 Iowa street, were married Friday evening at Sacred Heart Catholic Church.

Rev. Joseph A. Enright officiated at the 7 o'clock service. The bride wore a white knit street-length dress with an A-line skirt. Navy blue trimmed the neck and the sleeves and the bride carried a nosegay of white and blue carnations and baby's breath.

The attendants were Miss Valerie Pashea and Robert Lewey. The former was in a beige linen dress and matching accessories. She wore a corsage of yellow carnations.

Both young people are graduates of Granite City high school, and the bridegroom is employed by Rite Electric Co. The former Miss Hogan is employed in the Tri-City Grocery offices. They will reside in Edwardsville.

Miss Cheryl E. Felchlin, a daughter of Mr. and Mrs. Tilford L. Felchlin, Rural Route One, and Thomas J. Cavanaugh Jr., whose parents are Mr. and Mrs. Thomas J. Cavanaugh, 2409 Delmar avenue, were married Saturday evening at St. John United Church of Christ on Namook road.

White mums and greenery decorated the altar for the ceremony performed at 7 o'clock by Rev. Paul Surbey. A reception was held afterward in the church Fellowship Hall. When they return from a honeymoon in the Missouri Ozarks, the newlyweds will live in Granite City.

The former Miss Felchlin wore a gown of white silk organza over taffeta featuring a detachable Watteau train applied with beaded Chantilly lace motifs. Clusters of pearls and beading trimmed the lace yoke designed with a high rolled collar and a bubble sleeves. A matching headpiece of organza and lace leaves held in place a bouffant chapel veil of imported tulle, and the bride carried a single red rose with ribbon streamers.

Mr. James Poole was matron.

## Miss Benko, Earl Dothage Exchange Wedding Vows

Miss Judith Gayle Benko, a daughter of Mr. and Mrs. Steve Benko, 2448 Iowa street, and Earl A. Dothage, whose parents are Mr. and Mrs. Delbert Dothage of Hermann, Mo., were married Saturday afternoon at Second Baptist Church.

The altar, decorated with white flowers, was lighted with burning candles for the 2 o'clock ceremony performed by Rev. B. E. Dutton.

Given in marriage by her father, the bride wore a gown of white lace de soie and lace. The lace sleeves formed scallops at the hands and the bodice featured a reembodyered lace yoke finished with satin at the neckline. The front of the full bell-shaped skirt was appliqued with garlands of lace and encrusted with seed pearls and rhinestones. The train, carried by the bride, was made of lace ruffles on satin, all reembodyered with sequins and pearls and finished with a bow at the back waistline.

A full length tiered veil of imported illusion was secured with a sweetheart crown of pearls and rhinestones, and white roses with a corsage in the center of yellow roses, made up the bride's bouquet.

The attendants, Miss Pam Downey, maid of honor, and Miss Diane Benko, a sister of the bride, Miss Vicki Harrison, the bride's cousin, and Miss Bettie Bischoff, bridesmaids, wore gowns of embroidered dotted Swiss, pale yellow for the

honor attendant, and mint green for the maids.

They were identical in design with fitted waists, bell-shaped sleeves with ruffles, and full length skirts finished with cascading ruffles in the back forming sweep trains. They were washed with matching velvet ribbon, and all carried loose arm bouquets of white daisies and leather leaf fern tied with ribbon.

A little flower girl, Michelle Seybert, dressed like the honor maid, carried a basket of daisies and rose petals. Richard Dothage, the bridegroom's young cousin, served as ring bearer, and the candies were lighted by Joyce Cotner, the bride's cousin.

John Rucker attended Mr. Dothage as best man, and groomsmen and ushers were David Dothage, a brother, Steve Benko, the bride's brother, and David Stiegemann.

A reception was held in the church social rooms after the ceremony, and the newlyweds left later for a honeymoon in Ohio. They will be at home to friends after July 3 in St. Louis county.

The former Miss Benko, a local high school graduate, holds a secretarial position with a St. Louis bank. Mr. Dothage graduated from the Hermann, Mo., high school and Linn Technical School in Linn, Mo. A member of the U. S. Naval Reserve, he is presently employed in St. Louis by the National Cash Register Co.

## Shemwell-Carter Nuptials At First Assembly of God

Miss Pamela Mae Carter, a daughter of Mrs. William D. Carter, 2207 Nevada avenue, and the late Mr. Carter, and Donald Wayne Shemwell, whose parents are Mr. and Mrs. Norman B. Bittick, 2231 Nevada avenue, were married Friday evening at First Assembly of God Church.

Rev. Allen Groff performed the 7:30 o'clock ceremony before the altar decorated with bouquets of white flowers and lighted with burning candles in candelabra. Candles in hurricane lamps also illuminated the aisle and white bows marked the family pews.

Miss Becky Maynard presided at the organ and served as vocalist. The songs were "To Be United of God" and "Wedding Prayer."

The bride wore a gown of silk organza and Chantilly lace featuring a fitted bodice with a sash and long, traditional sleeves. The long bouffant skirt swept into a detachable train also trimmed with lace. A fingertip veil of silk illusion was held in place with a headpiece of silk flowers and pearl leaves, and the bride carried a tear-drop bouquet of white carnations and greenery.

Miss Evelyn Howard was maid of honor, and serving as bridesmaids were Mrs. Judith Carter, a sister-in-law of the bride, and Miss Kathleen Gilmore.

Their gowns were of moss green peau de soie. Small bows accented deep pleats which flowed into brief trains. The Empire waists had long sleeves. They carried corsages on ribbons with greenery.

Donna Mitchell, a cousin of the bride, was flower girl, and Brock Carter, a nephew, carried the rings.

Phillip Carter, brother of the bride, was best man, and groomsmen and ushers included William Carter, another brother,

Walter Jung, Dwight Grizzard, another cousin of the bride, and Larry Dittie.

Misses Linda Wilson and Sandra Lane lighted the candles, and Miss Debbie Jung presided over the guest book at the reception which was held at the church directly after the service.

The bride has just graduated from Granite City high school where Mr. Shemwell graduated in 1967.

For the wedding the bride's mother wore a dress of orchid peau de soie, while the bridegroom's mother chose yellow satin with an overlay of satin.

SCHAEFER-MITCHEM ENGAGEMENT

The engagement of Suzanne L. Mitchem and William C. Schaefer, a son of Mr. and Mrs. William E. Schaefer, 804 East Chain of Rocks road, is announced by the bride-elect's parents, Mrs. William G. Whitson, 2134 Lee avenue, and Eugene L. Finn of Centralia, Ill.

The bride-to-be graduated from the Granite City high school and is presently employed as a psychiatric aide at the Alton State Hospital. Her fiancé graduated from the Venice school and is employed by the General Engineering Co. in St. Louis. He has completed two years of study at SIU.

Plans are being made for an Aug. 15 wedding at First United Presbyterian Church.

### NEWCOMERS BOWLING PARTY, LATE DINNER

A monthly bowling party for members of the Granite City Newcomers club and their husbands took place Saturday night at Tri Mor. Winning series honors were Marvin Meng, 503, and Mrs. Betty Schuster, 376.

First-place team prizes went to Bob Massman, Mrs. Schuster, Mrs. Dody Stevens and Ken Morrison. Lee Jones and Mrs. Shirley Morrison were awarded consolation prizes.

Couples attending were Mr. and Mrs. Paul Stevens, Mr. and Mrs. Emil Schuster, Mr. and Mrs. Massman, Mr. and Mrs. Morrison, Mr. and Mrs. Dan Ramsey, Mr. and Mrs. Jones, Mr. and Mrs. Frank Tanner, Mr. and Mrs. Meng and Mr. and Mrs. Don Harmer.

A late dinner was served at Tony's following the bowling. The next couples' bowling party for the group will be July 18, at Tri Mor. Reservations may be made with Mrs. Stevens, bowling chairman.

## E-W Gateway to Discuss Support Of Airport Plan

A resolution for endorsement of the airport development program proposed jointly by the state of Illinois and the city of St. Louis is scheduled for reconsideration by the East-West Gateway Coordination Council in a meeting at St. Louis Wednesday afternoon.

Discussion of the endorsement request which initially was made by St. Louis Mayor A. J. Cervantes, chairman of the Gateway Council's board of directors, is among three items listed on the meeting agenda pertaining to the Illinois area airport project.

The agenda notes that the General Aviation Council of Metropolitan St. Louis has requested the board with reference to a metropolitan airport authority.

In addition, the agenda lists among other items of council business a statement by the Executive Advisory Committee of the Gateway Council regarding the impact of the proposed airport on ground transportation.

No indication of the contents of the statement was given, but the issue of ground transportation access to any chosen airport site was discussed last week when the Gateway Council decided to participate in airport planning.

**Mayor Asked Endorsement.**  
The resolution seeking endorsement of the joint Illinois-St. Louis Airport agreement was presented before the council by Mayor Cervantes a month ago, but no immediate action was taken.

Last week, on recommendation of the Executive Advisory Committee, the Gateway Council agreed to participate in planning of the airport project, but sidetracked a suggestion by the council's Transportation Committee that it also play a part in picking an airport site.

Under the agreement reached between Illinois Gov. Ogilvie and Mayor Cervantes, a proposed second major airport for the metropolitan area would be constructed on the Illinois side of the river on a site yet to be selected. The agreement calls for creation of a ten-man Metropolitan Airport Authority with five members from Illinois and five from St. Louis.

Since announcement of the agreement, the Missouri General Assembly has adopted a resolution opposing construction of the airport in Illinois and providing for a review of the airport problem by a legislative committee. That committee is expected to make a report in January.

**Pfc William Gibson Assigned in Vietnam**  
Army Pfc William L. Gibson, 20, son of Mr. and Mrs. William W. Gibson, 2326 Logan street, Granite City, recently was assigned as a rifleman with the 101st Airborne Division (Airborne) in Vietnam. Also lives at 2326 Logan.

## Law Obedience Cannot Be Selective—Powell

A democracy cannot afford the luxury of citizens "who reserve themselves the right to determine whether certain laws should be obeyed or disobeyed," Secretary of State Paul Powell said Sunday at Springfield.

"When we set down a law, that rule is made for everyone, as are all laws," Powell told members of the Illinois Department of the Veterans of Foreign Wars at their annual convention.

"What we must all realize—(after sifting through all the dissent, all the talk, all the burning, all the rock throwing)—is that the lowest person under our flag enjoys more equal social justice, more protection of life, liberty and property, and greater personal freedom than has ever been provided for the common man by any other system in recorded history," Secretary Powell said.

"What the radicals in our society say is vastly different from what they do. They demand freedom and quality and they labor brutally and kill; yet they fan the flame of ugliness by rock throwing, burning and stepping on the freedom of others."

The present need is for voices of responsibility—voices of the moderate—to drown out extremists, Powell said.

## 'Y' Swimming Classes Registration Open

Charles Hasse, YMCA youth director, announced this week that space is still available in the remaining four sessions of swim instruction at the "Y."

The sessions available are June 29 to July 10; July 13 to July 24; July 27 to Aug. 7; and Aug. 10 to Aug. 21.

Paddler, tadpole, minnow, fish, flying fish and shark classes are available in each session. Youngsters six years and older may enroll at the "Y" youth office.

Youth members may enroll in two of the sessions as part of the membership privileges. (Youth membership is \$18 a year.) Non-members may enroll in the swim lessons by paying \$10 for 10 lessons. Further details are available at the Youth Office by calling 876-7200.

**Church Plans Fish Fry For Friday, Saturday**  
Sacred Heart of Jesus Polish National Catholic Church will sponsor a fish fry at Schermer's Garden Lot, 12th street and Madison avenue, on Friday and Saturday, June 26 and 27th, from 11 a.m. to 9 p.m.

Walter Dombrowski will serve as chairman of the event.

Also available will be shish kebabs and special Polish sausage and carry-outs.

**Stop Sign Change**  
Gary E. Eads, 2036 Cleveland blvd., was ticketed at 8:25 a.m. Friday on a charge of passing a stop sign at 21st street and Edison avenue.

REV. ROY L. BAUGH  
New Pastor

## New Pastor Arrives At Niedringhaus Church

Rev. Roy L. Baugh, the newly-appointed pastor of Niedringhaus United Methodist Church, has arrived here with his family and has assumed his ministerial duties at the church.

A native of East St. Louis, Rev. Baugh graduated from McKendree College in Lebanon and attended Candler School of Theology at Emory University in Atlanta, Ga. He was pastor of St. Paul's Church in East Alton, and prior to moving here served as minister of First Methodist Church in Metropolis the past eight years.

He is presently chairman of World Service and Finance of the Southern Illinois Conference of United Methodist churches.

Rev. and Mrs. Baugh have three children, Cynthia, a high school junior; Kevin, a ninth grader; and Amanda, who is in the third grade.

The family is residing in the parsonage, 3240 Harvard place. Rev. Baugh's parents, Mr. and Mrs. Earl Baugh, now living in Leesburg, Fla., will arrive here next week to celebrate their 50th wedding anniversary in Fairview Heights.

**'Nature' Child Found**  
Summer apparently arrived three days early for one tiny youngster, who wandered away from home about 6:50 p.m. Thursday, and was discovered standing in a yard in the 2400 block of Delmar avenue, minus all wearing apparel. Police were notified and the child's parents located. Summer officially started yesterday.

**Licenses Issued**  
Marriage licenses have been issued by Deputy Clerk Elvira Thurber to Joseph Straka, 2434 Delmar avenue, and Heather L. Johnson of Arlington Heights, Ill., and to Louis D. Martin, 2811 Harding avenue, and Marjorie Harris, 2104 Washington street.

**Stop Sign Change**  
Gary E. Eads, 2036 Cleveland blvd., was ticketed at 8:25 a.m. Friday on a charge of passing a stop sign at 21st street and Edison avenue.

## Daughter Arrives for Mr. and Mrs. Russell

Announcements have been received of the birth of a daughter, their first child, to Mr. and Mrs. Roger Russell of Mayfield, Ga. The baby arrived Friday and has been named Carrie Lynn. Her weight was eight pounds, two ounces.

Mrs. Russell, the former Carol Bischoff, is a daughter of Mr. and Mrs. Howard Bischoff, 1603 Amos avenue. The paternal grandparents are Mr. and Mrs. R. B. Russell, 1848 Spring avenue.

**Vandalism Reported**  
Mrs. Arlene Watkins, 2714 Morris avenue, reported at 7:30 a.m. Friday that vandals poured a white powdery substance in the gas tank of the family's auto while the vehicle was parked at the curb.

**READY MIX CONCRETE**

432-3107 or 432-6180

## Teaching Post, Bids on School Agenda Tonight

The Granite City school board during its meeting at 7:30 tonight will consider establishing a new teaching position and forming a federal instructional program advisory council.

Bids are to be awarded on a fidelity bond, furniture, athletic supplies, glass, construction materials, adding machines, clocks, fluorescent fixtures, lumber, hardware, asphalt work and installation of a forced-main sewer line.

Also scheduled are a sabbatical leave, curriculum steering committee report, cosmetology instruction, summer enrollment report, hiring and resignations.

CALL LYBARGER  
432-3107 or 432-6180

## Navy Achievement Medal For Marine Sgt. Bolton

Marine Sgt. Burl D. Bolton, a son of Mr. and Mrs. Vernard D. Bolton, 2420 Terminal avenue, and husband of the former Jane Craft, 2432 Edwards street, Granite City, has been awarded the Navy Achievement Medal with combat "V" during ceremonies at the Marine Barracks, Naval Station, San Diego.

The sergeant was cited for outstanding achievement in various capacities with Headquarters and Service Company, Third Marine Amphibious Force in Vietnam.

**Speeding Charge**  
Ticketed on a charge of speeding in the 2300 block of Madison avenue, at 8:55 a.m. Friday, was Raymond K. Hagston, 1603 Kirkpatrick Homes.

## \$151,832 Library Budget

The proposed 1970-71 budget for the Granite City public library totals \$151,832, which includes the \$25,000 planned for accumulative fund for establishment of a branch library. The figure quoted in Thursday's issue added the \$25,000 to the 1970-71 total.

## Close Verdicts in Women's Softball League Confronts

Errors in Women's League softball balanced out Thursday and close games resulted. Mercer nipped Rozycki Rockets 6-5. Vaughn's Pharmacy topped Bill's Auto Body 7-5 and Kentucky Fried Chicken beat Matthews Chevy 11-10 at Wilson Park.

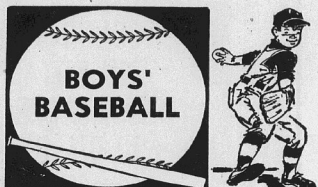

Mercer waited until two innings past regulation play before sending home the winning run; Betty Arbelter gained base on an error, was advanced by Linda Galloway's single and scored on Barb Steitz's single. For the Rockets, Nicki Vaughn homered and DeAnn Creek collected three safeties.

A triple play capped Vaughn's out of a first inning threat with no runs allowed. Barbara Robertson's two singles and a triple paced Vaughn's to a 15-7 hitting advantage.

Three errors aided Kentucky in gathering the tying and winning runs in the last of the seventh. Matthews, paced in the hitting department by Linda Steitz's three safeties, left ten runners on base.

**CHAMPS CHAMPS AGAIN.** Quad-City Senior Citizens bowling league titlist, this team also owns a best-of-three series victory over the Collinsville league champions. From left to right are Earl Liesmann, Joe Harley, Mrs. Clara Ulm, Conrad Moeller and Bill Baldassar.

## BOYS' BASEBALL

Granite City park district games begin at 6 p.m. at Wilson Park except as noted. Mitchell Khoury League games begin at 5:45 p.m. at the Mitchell Athletic Association field, Moorland and Greenway drives. Nameoki-Pontoon Little League games start at 6 p.m. Madison-Venice Khoury league games start at 5:45 p.m.

## Paddlers to Open Season Here Tuesday

The Paddlers swim club youth swimming team will open its competitive season Tuesday in a Southwestern Illinois Swim Association dual meet with the Bellefontaine country club in the Paddlers pool, 2121 Johnson road, beginning at 5:30 p.m.

Randy Thompson is the coach this year. He formerly swam for the Paddlers team and was co-captain in 1966 before entering military service. Thompson also swam and dove for Southern Illinois University-Carbondale teams.

Mrs. Gayle McCormick is assisting Thompson in the coaching, with special expertise in diving. She competed in AAU (Amateur Athletic Union) national diving championships last year.

Top swimmers returning to the team this year include: Mark Buenger (in the 112-year-old division), Pad Jim Baggot (13-14), Debbie Griffin (9-10), Dave Jolly (8 & under), and Dave Jolly (8 & under).

Sharp divers include Perry Dillard and Sue Lybarger (both 13 & over).

**1970 Schedule**  
The Paddlers' schedule follows:  
June 23 — Bellefontaine here, 5:30 p.m.  
June 27—SWISA Conference Relay (swimming) only; relay squad will compete at Hilltoppers of Dupo, 9 a.m.  
June 30—at Dorchester of Belleville, 5:30 p.m.  
July 6—SWISA Minnow meet (younger age divisions only) at Paddlers, 5:30 p.m.  
July 13 — SWISA Conference Relay, Hilltoppers of Dupo here, 5:30 p.m.  
July 21 — at Sunset Hills, 5:30 p.m.  
July 27 — at Monclair of Edwardsville, 5 p.m.  
July 25 — SWISA Conference Relay, Hilltoppers of Dupo here, 5:30 p.m.  
Aug. 1 — SWISA Conference Swimming Championship at Bellefontaine country club, 9 a.m.

**Seebold Sets Two World Records in Runabout Boat Races**  
John Seebold Jr. of Granite City piloted boats in two world speed records at the Lakeland International Outboard Championships Saturday near Memphis, Tenn.

He won the C-runabout class with a record speed of 65.39 miles per hour, set in a boat owned by a member of Johnny Cash's band, Marshall Grant. The old record was 62.00.

In the Funabout class, Seebold averaged 65.614, bettering the old record of 63.900. First-place trophies also were earned by Seebold in the B and D classes.

**Sprint Car, Cycle Races Rained Out**  
Weekend rains forced cancellation of Friday's sprint car racing and Saturday's motorcycle racing at the Tri-City Speedway.

Saturday's Capital Racing Association program at Jefferson City, Mo., also was washed out. With Seebold's entry, a 100-lap feature event at Springfield, Ill., Sunday but placed far back due to spending five laps in the South, with many fans. Bobby Jones won.

**7 1/2 FEET OF FISH.** Emil S. Stroheide (right) of Granite City pulls down the sword so he can reach the top of a 7 1/2-foot long sail fish he caught at sea 200 miles off Key Largo, Fla. Jim Hirsch, formerly of Highland, Ill., spreads the sail of a 6 1/2-foot long sail fish he caught with Stroheide. They were fishing with former Granite City resident, currently living in Miami: Dr. Ronald Harris, Durre Harris and Butch Harris.

## 'Win the Close Ones' Goal of Legion Nine

Boyle didn't scatter the hits enough in the ninth pitching and the Granite City needed just that to gain a 3-2 win at Wood River Thursday.

Due to several absences because of individual personal emergencies, four Granite City pitchers worked behind the plate. White delivered an RBI single later in the inning.

Don Harris gained first on an error in the fourth. Hagnauer and Boyle showed that pitching isn't their only forte by singling to send Harris around the bases to score.

Other Granite City hitters were Greenwald, Bolton and Rich Schardan.

In other Thursday Legion encounters, Reynolds, Reynolds, Edwin pitched a two-hitter for Col. Lincoln to beat O'Fallon 3-2. John Diehl lifted Dupo to a 4-1 win over East St. Louis with a nine-inning grand slam, led by Tony Belleville hurler Jack Penn slugged a home run while pitching a five-hitter to beat Mascoutah 11-3.

**Lancaster Hits for Circuit in Easy Win**  
Niedringhaus Methodist vanquished Pontoon Beach 22-1, Bethel shaded Grace Baptist 9-4 and the first day of the tri-city car 53 in Church League softball Friday at Worthen Park.

Bill Lancaster paced Niedringhaus to a 23-9 hitting edge with a single, double, triple and home run. Maurice Hemphill collected four safeties and Tom Yates also homered.

Bethel returned to three runs in the last inning to win by one run. Ray Childers homered for Grace Baptist.

First Assembly broke a 3-3 tie with three consecutive singles in the fifth by Ed Strekel, Sonny Stark and Leonard Revelle for two runs.

**312 Score by Dunn In State Amateur**  
Granite City Jim Dunn recorded a 312 four-round total in the Illinois State Amateur Golf Championship at Peoria during the weekend.

He shot rounds of 75 and 74 to earn a berth in the final rounds and then scored 79 and 81. Bob Zender of Chicago won the crown with a total of 290 strokes for the 72 holes.

**Sluggers Display Strength in North Classic Ball Games**  
Some meaningful and some meaningless home runs were singled in Northern Classic softball — eight homers in all — as Victory Tavern edged GC Dodge 15-14. Rozycki Blacks beat Murdoch Falls 12-7 and Mexican Honorary downed Burger King 14-3 Thursday at Worthen Park.

Victory Tavern rallied for the winning six runs in the sixth inning, including Paul Lusk's homer, and held GC Dodge scoreless in the seventh. The Dodge's Gary Simpson in four at-bats collected a single, double, triple and home run. Bob Lewy doubled and twice singled and Jerry Wallace homered.

Mexican Honorary compiled a 17-7 hitting edge, led by Tony Belleville hurler Jack Penn slugged a home run while pitching a five-hitter to beat Mascoutah 11-3.

Other Granite City hitters were Greenwald, Bolton and Rich Schardan.

In other Thursday Legion encounters, Reynolds, Reynolds, Edwin pitched a two-hitter for Col. Lincoln to beat O'Fallon 3-2. John Diehl lifted Dupo to a 4-1 win over East St. Louis with a nine-inning grand slam, led by Tony Belleville hurler Jack Penn slugged a home run while pitching a five-hitter to beat Mascoutah 11-3.

## EARL says...

Last Wednesday was a scorcher, the rains had muddied up every piece of water in sight, it was muggy as all get out, so at 3 p.m. I was out on the lake fishing. In all that midday heat I was fighting a losing battle for good fishing.

Now blue gill will live worms most any time hereabouts. I pinched one enough split shot to barely sink a 3/4" plastic float below the surface. Always the optimist, I none-the-less still felt I had a good chance to be skunked. Buddy, I never did change that rig. The blue gill hit, and his hard. No sooner would that float disappear, then bang, I had another one. All were good size keepers, and several (Webster defines several as "more than two, but not many"), were about 10" long and a good 5" broad. All in all, it was a good "mess" for a couple of hours of shore duty. I was only sorry I couldn't stay later, as the bass no doubt would be hitting as dusk approached.

If you're interested in knowing just what worms I used, and any other helpful hints, drop in at EARL'S Surplus Discount Store and I'll give you in. Still have a list of over 60 free fishing lures within a 50 mile radius that's yours for the asking.

THAT'S EARL, BROTHER...

## SW Conference to Meet on Expansion

The Southwestern prep athletic conference members will have a day-long meeting Wednesday, June 24, at Belleville to discuss further the mechanics for changing the makeup of the prestigious league.

At the last meeting, the constitution was altered so the league could expand to more than its traditional maximum of seven member schools.

Already considered one of the most consistently strong conferences in southern Illinois, the member schools are apparently seeking to improve the league. The most noticeable change, which is still at the discussion stage, is the likely expansion to at least to an eight-school conference and possibly more.

With such expansion would come the potential for being more competitive on a regular basis at the state level with the large schools and leagues of the Greater Chicago area, hopeful of reasserting the dominance of southern Illinois.

### Improve Prestige

Greater recognition for the league would draw improved prestige for member schools and individual athletes playing conference sports.

Consideration of changes was prompted when Wood River announced it would withdraw from the league at the end of the 1970-71 scholastic year.

Having the smallest student enrollment among the Southwestern schools, Wood River has had to struggle to keep pace in all eight varsity sports.

Granite City, far from struggling, finished in third place or better in seven sports and in addition has a non-league sport, soccer, to meet the student demand for varsity level competition. The soccer team playing an independent schedule ended

this year with an 11-4 non-loss record.

Other league sports that might be added as some Missouri leagues have, are varsity rifle teams, gymnastics, rugby, hockey (as in Chicago), or even, in the distant future, swimming and diving.

Wood River plans to join seven other smaller area schools to form a new league.

Belleville East, East St. Louis Lincoln and Cahokia have applied to fill the vacancy that the Oilers' departure from the Southwestern circuit would create.

All three of the candidate members have student enrollments and athletic programs comparable to the Southwestern schools' athletics interest with various victorious teams.

### No Hurry to Expand

The league is in no hurry to expand. No new members will be accepted before the 1971-72 school year if even then. The basic order for expansion is spelled out in the constitution. It contains a cautious safeguard against admitting unsuitable members but is far more flexible than the old method.

Formerly unanimous agreement was required in the past to add a new member to fill the total

membership to seven and that unanimous vote meant permanent membership.

The new rules call for two-thirds of the members to approve a candidate for probationary membership. After two years probation, a school would again be voted upon. If three-fourths of the members approve, the probationary school would receive full membership.

No minimum or maximum number of members is stated. Acceptance of Belleville East, Lincoln and Cahokia would probably require the league to divide into divisions perhaps of the variety now used by the American Legion baseball league which has North and South divisions.

Further expansion beyond the acceptance of the three current applicants is possible. Two others in this area are of sufficient size to join the Southwestern loop, Belleville Althoff and Aspersum, which are currently members, which are currently strong enough, St. Louis county or St. Louis parochial schools could be added.

THIRD AMONG U. S. BEST. Mike Alphen placed third among prep intermediate hurlers at the Golden West meet Saturday.

## Wins by GC Nines Put Mercer in 1st Place

Granite City gave a one-two punch in the Inter-City Baseball League Sunday and catapulted Mercer into first place. Mercer broke an apparent jinx in contests against defending champion Collinsville and shutout the Moltor nine 6-0 at Collinsville.

Bellemore Sporting Goods shocked the former league leader, East Alton, downing the Machinists 4-1 at Wilson Park, aided by Arvil Taylor's first-inning three-run homer.

In the other league game Sunday, Maryville broke a tied game with a run in the bottom of the sixth to edge Highland 2-1.

Five-Hitter by Rains Don Rains pitched the distance for Mercer, allowing five hits and one walk and striking out nine.

Jim Bone, on the mound for 7 1/2 innings took the loss. Clyde Blankenship finished for Collinsville. They were touched for 11 walks, eight hits and two wild pitches while striking out nine.

Mercer scored in the first frame as Bob Ketter reached base on an error. Charles Johnson sacrificed and Larry Corey delivered an RBI triple.

In the fourth, Dave Sparks walked. Rains sacrificed and Keiner drove Sparks home with a single.

The game was tied with four runs in the eighth. Harold Tankley walked and went to second on a wild pitch. Sparks walked

## Allen 3rd in Hurdles in California

Granite City's high Mike Allen placed third among the Golden West Invitational track and field meet Saturday at Sacramento, Calif.

He timed the 330-yard intermediate hurdles event in 38.1 seconds; slower than his previous clocking of 37.4. The winning time was 37.1, a new Golden West meet record.

Allen, the GCHS high and low records holder, was running the 330-yard intermediate hurdles competitively for the second occasion during his career. Tom Stock of Belleville West high also entered the California meet but did not place.

### ROW Ticket Issued

John G. Roberts, 1132 Rhodes street, was issued a ticket charging him with failure to yield the right of way at an intersection about 10 a.m. Sunday, following an accident at Washington avenue and 28th street. Driver of the second vehicle was Evelyn Webb, 2837 Forest avenue.

## Big Inning Gives Dodge 6-5 Victory

GC Dodge edged Murdock defeated Liberty Home 14-10 and Rozycki Blacks beat Abel's Auto Body 14-6 in Northern Classic softball Sunday at Worthen Park.

Dodge scored all six runs in the third inning. Gary Simpson started it with a three-run homer after two outs. Steve Schardan later cleared the bases with a triple and scored on Mike Meizer's single.

Liberty opened with seven runs on eight hits in the first. But Simpson's matched that big inning with a seven-run second on seven hits and rolled up the winning margin. John Mehski twice homered for Liberty.

Abel's Joe Michels homered while batting three-for-three but Rozycki had an 18-14 hitting advantage.

### Finds Wagon Wrecked

A 1964 station wagon stolen last night from the home of Mrs. June Laird, 3045 Maryville road, was recovered by the owner in a wrecked condition at Edgewood drive and Emert avenue, she told police this morning. The vehicle initially was reported stolen at 6:40 a.m. today.

### Petty Officer Kelley

Aboard Fleet Oiler Navy Petty Officer 3/c Donald L. Kelley, husband of Mrs. Patricia L. Kelley of Mitchell, stopped in Bermuda aboard the fleet oiler, USS Albatross after completing operations in support of the aircraft carriers USS Independence and USS John F. Kennedy off the coast of Virginia.

MRS. ROBERT R. COWAN, who was married Saturday at First Assembly of God Church. She is the former Donna Ruth McBrian.

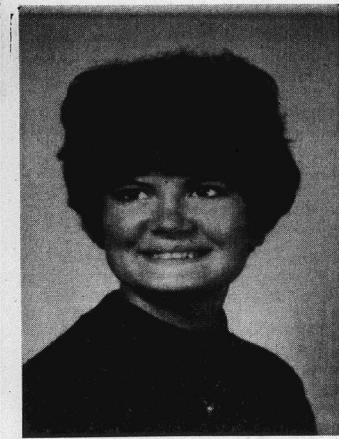

## Miss Donna Ruth McBrian, Robert R. Cowan are Wed

Miss Donna Ruth McBrian became Mrs. Robert Randall Cowan in an afternoon ceremony taking place Saturday at First Assembly of God Church. The parents of the couple are Mr. and Mrs. Dale McBrian, 2917 Fortune drive, and Mr. and Mrs. Robert B. Cowan, 2304 Gary avenue.

All white flowers decorated the altar for the 4:30 ceremony performed by Rev. M. W. Wilson.

White satin was used to fashion the bride's gown. The bodice, covered with Alencon lace, had a scoop neckline which also was accented with the lace. The long puffed sleeves were lace-trimmed and finished with large cuffs. Lace bordered the hem of the skirt in fine scallops, and was applied on the detachable train. A crown of Alencon lace and pearls secured the bride's veil of English net, and she carried a bouquet of white roses and snowflake mums in a traditional arrangement.

Mrs. Warren Evans, matron of honor, and Miss Diana Augustine, Mrs. J. Michael Artip and Miss Earline Robinson, bridesmaids, were dressed alike in bright pink linen gowns with A-line skirts and Empire waists.

ENGAGED. Miss Lois Bromley, whose betrothal to D. Dale Walters of Percy, Ill., is announced.

## Miss Bromley Is Engaged

Mr. and Mrs. Arthur Bromley, 601 Fourth street, Venice, are announcing the engagement of their daughter, Miss Lois I. Bromley, to D. Dale Walters of Percy, Ill. A December wedding is planned. The bride-to-be graduated from the Venice high school and will be attending SIU-SW this fall. Her fiancé graduated from the Trico high school in 1968 and is presently employed by the GMAO Railroad.

## HANDICRAFT CLUB HONORS TWO MEMBERS

The Ladies Handicraft Club met Thursday evening in the home of Mrs. Mike Mega, 2646 Lincoln avenue, and honored two of the members, Mrs. Frances Vivod, who was celebrating a birthday, was presented with a gift, and Mrs. Ann Margulen, who is to be married soon, received a shower of kitchen utensils.

Dinner was served at 7 o'clock to the two honor guests and Mrs. Mary Bridick, Mrs. Sue Perdicaris, Mrs. Alexandra Severine, Mrs. Vivienne Danco, Kate Fedora, Gladys Skubish and Irene Kadance.

Prizes were won by Mrs. Kadance and Mrs. Fedora. The club, which has recessed for the summer, will resume in September with a meeting in the home of Mrs. Kadance.

ate from SIU-SW in August. He is a former vice-president of Alpha Phi Omega fraternity, and associate adviser of Explorer Post 6. He is employed by a trucking firm.

MRS. JOACHIM BAUER, the former Anida Marie Bayer, who was married Saturday in Toledo, Ohio. The bridegroom is a son of Dr. Otto and Maria Bauer.

## Bauer and Bayer Wedding Saturday in Toledo, Ohio

The wedding of Miss Anida Marie Bayer and Dr. Joachim Otto Bauer took place Saturday at St. Ignace Catholic Church in Toledo, Ohio.

The bride is a daughter of Mr. and Mrs. Richard W. Bayer of Toledo. Dr. Bauer's parents are Mrs. Otto and Maria Bauer, 3214 Princeton drive.

Lighted candles in candelabra and arrangements of white flowers provided the setting for the 12:30 ceremony performed by the Rev. Hussey.

The bride chose a gown of candlelight silk organza and peau de ange lace. Victorian in feeling, the Empire bodice had a high neckline adorned with lace, and tiny pearls trimmed the sleeves, flared at the elbows. Motifs of the applied lace formed a soft A-line skirt and a detachable train fell from beneath a bow at the waist.

A mantilla of candlelight silk illusion was embellished with matching lace and secured to a shirred headpiece of pearls. It extended beyond the train of the gown and was edged with a wide border of lace.

Mrs. Robert Gray, the bride's aunt, was matron of honor, and Miss Linda Alfieri, Mrs. Dana Dunholter, Miss Georgeette Bayer, a sister of the bride, Mrs. Michael Farrell and Miss Mary Alice Matie were bridesmaids.

The attendants were dressed alike in brown silk organza and white Venetian lace. The gowns had deeply scooped necklines with Empires defined with sashes of white grosgrain ribbon. Lace adorned the bodices and the full bishop sleeves cuffed with white grosgrain. The gathered skirts formed soft semi-full skirts trimmed with appliques and Venetian lace motifs. Wide bands of ribbon finished the hems. Large white popcorn straw hats had crowns encircled with deep brown grosgrain ribbon.

Dr. Craig Hills was best man for Dr. Bauer, and the corps

## Concert Recital Planned Sunday

Mrs. June Nightwine Branding, lyric-soprano, and Mrs. Catherine E. French, concert pianist, will be presented in a concert recital Sunday, June 28, at 3 p.m. at the Nameoki Methodist Church, according to an announcement made this week by Robert J. Childers, general director of FAME-East (Friends of Artists and Musical Endeavors-Illinois Branch).

There will be no admission fee for the concert, and the Evening Etude Music Club will sponsor a reception and tea immediately following the concert. Both artists make their home in Granite City.

FAME-East is a not-for-profit cultural and educational corporation, providing residents of the Metro-East area with opportunities for artistic growth and development in all the seven arts. Those interested in membership may contact Mr. Childers in Godfrey, 466-6671, or any member of the group. Forthcoming productions include an original Musical Revue entitled "Making the Scene," an "all opera concert," an Art Show, and in September Puccini's beloved opera "La Tosca" will be presented.

## OOPS CLUB HONORS MRS. SHARON DEPEW

The Oops club met Thursday night at Tri Mor Bowl for a weekly session and to plan for a special evening for the Mirrors Will Tell club.

The leader, Mrs. Peggy Hackney, opened the meeting with the club pledge, and reports were given by the secretary, Mrs. Geri Gorbey, and treasurer, Mrs. Betty Cox. A weighing was conducted by Mrs. Virginia Jenkins.

Queen of the week crowned by Mrs. Betty Cox was Mrs. Sharon DePew, who received a crown and a fruit basket from the club.

A musical skit, "Old McDonald," was presented by Mrs. Frieda Hoffel, Mrs. Pansy Moad and Mrs. Virginia Jenkins. A talk on "Weight" was given by Mrs. Gorbey.

Arrangements were completed for a party in honor of the Mirrors Will Tell club. A salad dinner will be served and a special program for the evening is being planned. Mrs. Gorbey and Mrs. Virginia Jenkins are in charge of favors for the party.

Guests introduced were Mrs. Norma Jean Ross and Mrs. Lori Hintz. Games were played after the meeting, and prizes were awarded. Others present were Mesdames Barb Butler, Claudette Baldrige, Jerry Skaggs, Maxine Fuller, Edith Harris, and Maxine Rowen-kamp.

## Vandals Damage Autos Windows of Buildings

Vandalism reports Friday showed that a pellet was shot against a 30x36-inch storm window, cracking it at the Donald Schleuter home, 3345 Johnson road; a large, hardened clump of dirt broke a side window at Black's bakery, 1947 Delmar avenue; and a man threw a chunk of concrete, denting the side of the auto of Thomas Keel, 2622 Logan street, in the 2500 block of West 24th street. James Jackson, Collinsville, notified police that at 4 a.m. Saturday at 18th street and Madison avenue, a bottle thrown from a 1964 auto damaged the door of his 1966 car.

## Collide During Turn

A collision occurred during rain at 5:10 p.m. Saturday at Nameoki and Fehling roads, damaging the front of the southbound car of Alfred Justice, 2419a State street, and the right rear door of the auto of Cynthia Thatcher, Wood River, northbound and turning west.

## County GOP to Back Clark For Illinois Supreme Court

Circuit Judge Harold R. Clark formally announced his candidacy for the Illinois Supreme Court on Thursday evening and was endorsed by the Madison county Republican central committee.

Meeting at the county courthouse in Edwardsville, the county GOP committee decided to use the unit rule; its entire vote will be cast for the Alton jurist at the party convention to be held July 11 in Mount Vernon.

Delegates were chosen for the Mount Vernon meeting, at which a single Republican nominee will be selected from the 27-county Fifth Judicial District.

The nominee and a Democratic contender will then compete in balloting for one of the seven Supreme Court justice positions.

The term will be for a year.

Judge Clark, 52, has over 13 years of judicial experience as well as prior legal experience as an attorney. Appointed, Elected, Retained. He was appointed in 1956 to serve the remainder of the term of the late Circuit Judge R. W. Griffith sr. He then won election to the Third Circuit bench in 1957 and gained retention in 1964 for a six-year term expiring this year.

A Republican who has shown ability to win in a predominantly Democratic circuit, Judge Clark has filed for retention this year and will remain a candidate for re-election while also seeking the Illinois Supreme Court post. Court rules permit this except where a judge becomes a candidate for a non-judicial elective office.

Clark has served as chief circuit judge as well as in his present duties as circuit judge. The former title and duties are accorded for one-year periods alternately to the four circuit judges.

Appellate Experience. He also has served as an appellate judge through assignment to specific cases heard at that level.

Judge Clark for the last year has been co-chairman of the Southwestern Law Enforcement Commissions, which has sought to help upgrade law enforcement and police training in Madison, St. Clair, Monroe, Randolph and Bond counties.

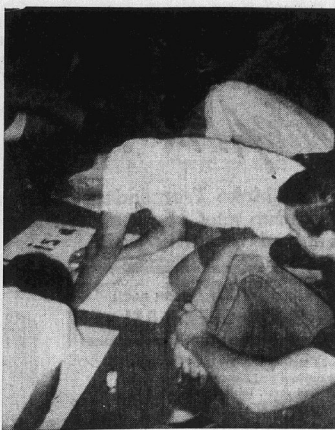

Several potential candidates are expected to be considered at the Mount Vernon convention. Among those campaigning for the nomination is P. K. Johnson, a Belleville attorney.

## Margaret Ann Field Stillborn on Friday

An infant girl, Margaret Ann Field, was stillborn at 7:50 a.m. Friday at the Memorial Hospital, Belleville, to Mr. and Mrs. Edwin Field jr., 511 Norwood street, Collinsville. Maternal grandparents are Mr. and Mrs. Marvin Perkins of Troy and paternal grandparents are Mr. and Mrs. Edwin Field sr. of Collinsville. The mother, the former Gail Perkins, is a former Granite Cityan.

Burial took place Saturday at Calvary Cemetery, Edwardsville, following private graveside services. An obituary notice is given elsewhere in this issue.

## Youths Planning Christian March and Rally July 17

A large Christian March and Rally is scheduled to take place on Friday, July 17, in Granite City, and is expected to attract between 1000 and 1500 participants. The march will begin at the post office, 24th street and Madison avenue, continue north on Madison avenue to 27th street to the park main entrance.

Twenty-five churches have agreed to take part in the event by forming a central committee with representatives from St. Elizabeth, First Assembly of God, Sacred Heart, Concordia Lutheran, St. Peter United Church of Christ and the Third Baptist Churches. This committee will formulate all plans for the proposed march.

Several singing groups are to join the marchers at the park for a special musical program. They include the "Up with People" singers with 150 voices, New Life Singers and The Grind-staff Brothers.

Last week 3000 leaflets were distributed and a workshop was held at St. Peter Church where 50 signs were made to be carried in the march. Workshops will continue, to prepare materials needed for the project, with a final session on July 8 at 7:30 p.m. at the First Assembly of God Church.

## Amsted Acquires Plastic Pipe Firm

Amsted Industries, Chicago, has acquired Extron Corp., a Knoxville, Tenn., producer of plastic pipe for the gas industry and plastic extruded shapes for construction and industrial markets.

Amsted previously had announced an agreement in principle to acquire Extron for an undisclosed number of shares of Amsted common stock. The report of the final contract closing was made today by Joseph B. Lanterman, Amsted's chairman, and Edgar O. Redwine, Extron's president.

Plans to expand plastic pipe production facilities at Extron's Knoxville plant also were announced by Lanterman and Redwine. Additional extrusion equipment will be installed by late 1970 which will enable Extron to manufacture three and four-inch diameter plastic pipe in production quantities compared to a two-inch maximum using present equipment.

"This will allow our company to keep pace with the growing demand for plastic pipe," Lanterman said. He noted that the field of plastic pipe for gas distribution has a projected national growth rate of 15%-20% a year over the next five years.

Extron had sales of about \$2,000,000 in its fiscal year ended Feb. 28, 1970. Its plant in Knoxville covers 60,000 square feet and about 80 people are employed. The company's management will continue in their present positions.

This acquisition gives Amsted 30 plants in 17 states and Canada. Included is the American Steel Foundries plant here.

## 20th-Madison Crash

A hit-and-run car damaged the rear of the auto of Louise Petish, 3257 Carlson avenue, at 4:35 p.m. Saturday on Madison avenue at 20th street.

## Auto Hits Steirwell

The auto of Bernard Picker, 2148 Orville avenue, drove into a stairwell at the rear of 4004 Maryland Manor at 12:50 a.m. Sunday. There was no apparent damage to the apartment development, but the left front wheel of the car was damaged along with the under side of the left front of the 1969 two-door vehicle.

#### 4 'Debbies' among Miss GC Contestants

Deborah Hightower

Debra Harrison

Deborah Scaturro

Debra Herring

### High Style Fashions to be Featured in Miss GC Fete

The eight Granite City girls seeking the local title and a chance to win the Miss Illinois crown will model high-style resort wear in the swim suit segment of the annual beauty-talent pageant set for Sunday evening, June 28, at Granite City high school auditorium.

The Miss Granite City Pageant—the first step on the ladder to fame and fortune via the coveted Miss America crown—will be presented once again by the Granite City Jaycees. Contestants will be sponsored by local business firms.

The 1970 candidates are:

Miss Debra Jeanne Harrison, 19, daughter of Mr. and Mrs. Oren Harrison, Rural Route Two; Miss Debra Lynn Herring, 18, daughter of Mr. and Mrs. Ellis Herring, 2501 East 25th street; Miss Deborah Kay Hightower, 18, daughter of Mrs. Bernice Hightower, 3129 Myrtle avenue; Miss Debra Marie Scaturro, 19, daughter of Mr. and Mrs. William Scaturro, 49 Riviera drive.

Miss Constance Lynn Rotter, 18, daughter of Mr. and Mrs. Robert Rotter, 2433 Pine street; Miss Katherine L. Arbelter, 18, daughter of Mr. and Mrs. Charles V. Arbelter, 2443 State street; Miss Ruth Ann Diak, 19, daughter of Mr. and Mrs. George Diak, 3023 Iowa street;

and Miss Lana Sue Earnhardt, 19, daughter of Mrs. Rosie Lee Earnhardt, 2512 Hodges avenue.

**Candidate Statistics**  
Average weight of this year's Miss Granite City aspirants is 122½ pounds, with their individual weight ranges from 112 to 128 pounds. Five candidates are five-feet, seven inches tall or a fraction over, two are five-feet, six-inches tall and one is five feet, four inches.

Five of the candidates are university students or will enter college this fall and three are employed fulltime. All are graduates of Granite City high school, two girls having received their high school diplomas earlier this month.

Talent to be displayed by the candidates on Sunday spotlight opera and popular melodies, piano and organ selections and song and dance routines.

**Biographical Sketches**  
A brief biographical sketch on four of the candidates is presented in this article. The same data on the other four was published in last Thursday's issue. Complete details on all eight contestants will appear in Thursday's Press-Record.

Debra Jeanne Harrison will perform a dance arrangement to "Don't Tell Mama" from the show, "Cabaret." She is five feet, seven-and-a-half inches tall and weighs 124 pounds. Her measurements are 34½-24-36.

Debra Lynn Herring, whose measurements are 36-24-36, weighs 125 pounds and is five feet, six-and-a-half inches tall. She excels as a popular singer and plans to present "I Have Confidence" from "The Sound of Music" as her talent.

Deborah Kay Hightower, an aspiring opera singer, will present "Dein Heer Marquis" (Laughing Song) as her talent. She weighs 125 pounds and her measurements are 36-24-36. She is five feet, seven inches tall.

Debra Marie Scaturro will perform at the organ a selection of themes from current movies, including "Love Theme" from Romeo and Juliet, "Raindrops" from Butch Cassidy and the Sundance Kid and "Jean" from The Life of Jean Brodie. She is five feet seven inches tall, weighs 125 pounds and her measurements are 36-25-36½.

## Budget Includes

clivities for the police department and other city offices, at an estimated cost of \$100,000. May Need \$500,000

Mayor Lee, who proposed the plan for the council's approval, said the projected costs are only rough estimates and that more detailed figures will have to be obtained before the proposals can be presented for a public vote.

Each project is to be voted upon separately, he said. He added that, in all probability, a total of about \$500,000 will be sought, including the additional cost of architect's fees, engineering fees and planning.

A protest over inclusion of the improvement costs in the appropriation was voiced near the end of the Friday night council session by Milton Morris, Venice businessman who has been active in civic affairs.

Morris took the floor just before the council adjourned and said he had been in the audience waiting for a chance to speak on the budget. He protested the fact that the budget had been advanced to final passage and that a suspension of the rules "without giving the people a chance to talk about it."

"When you are spending a million dollars or more I think the people should have a chance to talk about it," Morris said. "This appropriation was pushed through to passage without giving anybody a chance to state anything here."

## Immediate Vote Unlikely

Mayor Lee said that projected costs for the proposed improvements were merely inserted in the budget to cover the remote possibility that action on the projects might get under way during this current fiscal year, which ends next April 30.

"I don't think there will be any expenses toward the projects this year," the mayor said. "In the first place," he added, "the people will be given plenty of opportunity to talk about the projects and hear about them. They cannot be approved without a vote of the people, and no money can be spent until they approve a bond issue."

Morris replied that he knew nothing of the plans for the proposed improvements until he read about them in the Press-Record Monday.

"That's why the story was released, so people would know about it," Dr. Lee remarked. "We have to wake people up to the needs of the community."

"It sure shook me up," Morris answered.

## Cost Reductions, Boosts

In preparing the new budget, the mayor told the council, cuts in operating costs were made wherever possible to help offset the salary increases, the mayor said.

Major departmental boosts included the police department budget, which was approved at \$134,280 for salaries, compared with \$122,340 last year, and at \$24,633 for supplies and expenses compared with \$13,200 last year.

The budget for supplies and expenses of the police department included a new item of \$13,333 for expenditures under a federal grant (combustion crime bill) which would permit acquisition of new equipment. The salary of Police Chief John Essington was set at \$800, up from \$300, and that of Assistant Chief Ralph Brawley at \$870, up from \$840.

Total appropriation for payment of salaries to the city's patrolmen was fixed at \$85,040 compared with \$91,440 last year, and the fund for probationary patrolmen was raised to \$12,900 from last year's \$2,740.

Overall appropriations for the fire department amounted to \$67,497, up slightly from \$65,870. The \$300 annual raises were budgeted for the fire chief and two assistants, but the fund for drivers' salaries was fixed at \$20,979, changed only slightly from last year's \$20,810. The budget for paying firemen for answering fire calls was fixed at \$12,978, down from the previously budgeted \$13,000.

## New Appropriations

Other departmental budget totals, with last year's figures in parentheses, are:

Streets and alleys, \$34,722 (\$34,539); fees and salaries of city officers, \$45,050 (\$43,900); department of law, \$3,200 (\$4,055); insurance, \$20,355 (\$16,763); printing, \$1,500 (\$1,300); sanitary and health, \$871 (\$719).

Sewers, \$2,000 (\$1,500); auditing, \$620 (same); lights and lighting \$12,500 (\$11,500); sidewalks, \$700 (\$500); water, \$50 (same); City Planning Commission, \$670 (\$600); garbage collection, \$56,397 (\$52,300); police pension fund, \$40,000 (\$36,181); Illinois Municipal Retirement Fund, \$13,200 (\$16,000); public library, \$29,939 (\$32,800).

Civil defense, \$700 (same); recreation, \$1,000 (same); senior youth employment, \$600 (same); and contingent fund, \$750 (same); total operating budget, \$93,552 (\$83,040).

## City Officers of Venice Renamed By Mayor Lee

Mayor John E. Lee announced Friday night the reappointment of all Venice city employees and departmental officers to serve during the current 1970-71 fiscal year which began May 1.

Only exception in the appointment list was the office of civil defense director, to which Mayor Lee appointed Ben Honorable to replace Elmer Taylor.

The mayor reappointed John Essington as chief of police and Ralph D. Brawley assistant chief, and reappointed William Meehan as chief of the fire department. Willie Dumas and Thomas Scaturro were renamed as assistant fire chiefs.

Carl Byrnes was reappointed as city comptroller and Harry E. Hartman as city attorney. Other reappointments are:

Jay Maurer, superintendent of streets; Thomas Britt, fire truck driver; Jack Tolliver, city engineer; Joseph Meehan, humane officer; George Green, city hall custodian; William Guernsey, radio engineer; Leo A. Davinroy and William E. Griggs, building inspectors; William Baucum and Wesley Edwards, health inspectors.

## Others Reappointed

Henry McMullen, McKinley Bridge manager; Donald Phillips, bridge office manager; John Pier and Harold Koelker sr., members of police pension board; and Eugene Elgan, Leo Devany and William Spencer, members of the board of police commissioners.

John Bilna and Wade E. James were appointed to represent the city of Venice on the Quad-City mental health board and Jack Tolliver, William McGarrath and Roderick Bauder were named boiler inspectors.

To the Venice library board, the mayor reappointed Mrs. Wade Baucum, Mrs. Madonna Groshong, Mrs. Lorene Morris, Mrs. Catherine Hildebrand, Mrs. John Young, Mrs. Ruth Rankin, Frank DeWitt, Roger Davis and Thomas Maher.

Members of the Planning Commission are Gene Burnett, Bernard Dixon, Ernest Davenport, Charles Hampton, Jack Tolliver, Hugh Hairston, Howard Foley, John Lee and Lloyd Patterson.

## Zoning Commission

Appointments to the Zoning Commission are Daniel McGee, James W. Woodrume, Thomas Voegtle, Jack Boxley, Lloyd Patterson, Harry Meehan, Oscar Hampton, Ernest Davenport and Jack Tolliver.

The council also approved a resolution for installation of six new 6000-lumen incandescent lights to expand the city's street and alley lighting system.

The lights will be installed by the Illinois Power Co. in the alleys at the rear of 1007 Calhoun street, rear of 217 Kerr street, rear of 743 Broadway, rear of 123 Kerr street and rear of 110 Abbott street, and in Line alley between Market and Bissell streets.

Appointment of Birli Reed of Venice as a probationary patrolman was approved by the council on a recommendation of the Board of Police Commissioners. The board notified the council Reed had qualified as a patrolman in recent examinations. Reed will take the required six-week police training at the University of Illinois in the next training session.

A resolution asking state highway department allocation of \$15,000 in motor fuel tax funds for a proposed sewer cleaning program also was adopted by the council.

Mayor Lee said that when the application is approved, Shepherd, Morgan & Schwaab, the city's consulting engineers, will make a survey of sewer cleaning and repair requirements and bids will be called.

Police Chief Essington reported 12 arrests in May resulting in receipt of \$132 from the circuit court through collection of fines. Four of the arrests were for traffic violations, four were made under the state criminal code and four were for violation of city ordinances, Essington reported.

Bridge Manager McMullen reported that a total of 249,461 vehicles passed over McKinley Bridge during May. Bridge traffic consisted of 86,319 vehicles using the bridge the first week of the month, 56,683 in the second week, 59,320 the third week, 59,155 the fourth week and 17,015 in the last three days, McMullen reported.

Traffic arrests early Saturday included Carole Adkins, Clarence, La., no driving license and disobeying a stoplight at 20th street and Madison avenue; Raymond Voss, 2308 Carlson avenue, speeding at 23rd street and Madison avenue; and Randall Thompson, 2146 Woodlawn avenue, passing a flashing stoplight at Northingshaus and Madison avenues.

## Karius-Sipes Engagement

Mr. and Mrs. Kenneth Sipes, 1900 Third Street, Madison, are announcing the engagement of their daughter, Miss Deborah Sipes, to Timothy Karius, whose parents are Mrs. Helen Karius, 2323 Nankin road, and William Karius, 1817 Third Street, Madison.

The prospective bridegroom graduated from Madison high school in 1969 and is now in military service in Vietnam. Miss Sipes is attending Madison high and will be a senior next fall. Wedding plans have not been made.

**TENT 92 MEETS AT THOMPSON RESIDENCE**  
Mrs. Louise Thompson, 2914 Yale drive, entertained members of Aunt Becky Young Tent 92, Daughters of Union Veterans of the Civil War, on Thursday. A light luncheon was served.

Mrs. Irma Taylor, senior vice-president, conducted the meeting. The patriotic instructor, Mrs. Arline Fox, led members in reciting the pledge of allegiance.

Delegates to the state convention June 3-7 in Springfield, reported on the event. Local members elected to state offices are Mrs. Irma Taylor, legislative committee; and Mrs. Louise Thompson and Mrs. Cora Mae Bent, council members.

Mrs. Fox reported on planting of flowers and placing of flags on graves of deceased members

**BETROTHED.** Miss Deborah Sipes, whose engagement to Timothy Karius is announced.

In observance of Memorial Day, Mrs. Thompson is serving on a special committee for the national convention to be held in Springfield Aug. 3-13. Others present were Mesdames Lora Bishop, Maude Lewis and Edna Hoel.

## SOCIETY

**GOLDEN WEDDING.** Mr. and Mrs. Walter Glenville, 1912 Fifth Street, Madison, who observed their 50th wedding anniversary at a family party given by their grandchildren Friday. The couple has one daughter deceased, and four grandchildren, James McMurray, Linda and Patty McMurray and Mrs. Sharon Grubbs.

## Miss Cara Lynn Howard, Richard Ahlvers Jr. Wed

Arrangements of gladioli, mums, pom poms and greenery decorated the altar of First Assembly of God Church Saturday evening for the candlelight wedding at 7 o'clock of Miss Cara Lynn Howard and Richard Lee Ahlvers Jr. The Rev. M. A. Groff officiated.

The former Miss Howard is a daughter of Mr. and Mrs. William Howard Jr., 3202 Wilshire drive, and granddaughter of Charles Lybarger of Madison. The bride's mother is Mrs. Sylvia Howard of Riverside, Calif. Mr. Ahlvers' parents are Mr. and Mrs. Herman Harris of Buck road, Glen Carbon.

The bride was attired in a white silk crepe gown with silk organza sleeves. The gown was trimmed with tiny white flowers and ivy leaves, the skirt extending in a full length train. She carried white tea roses and baby's breath in a round bouquet.

Miss Christine Bishop was honor attendant, serving with four bridesmaids, Mrs. William Eichen, a sister of the bride, Miss Debbie Kuchewski, Miss Robyn Howard, another sister of the bride, and Miss April Harris, the bridegroom's sister. They wore dresses of melon silk crepe with lace bodices and silk organza sleeves and carried single roses with leather leaf fern and white ribbon streamers.

Robbin Harris, the bridegroom's sister, was flower girl in a melon silk organza dress

with rose petals in a white basket. Phillip Watson Jr., the bride's cousin, carried the rings.

The bride's mother chose a light mint green silk shantung dress and a matching hat and accessories, while the bridegroom's mother selected an aqua princess style dress and white accessories. Both wore corsages of white carnations.

Ron Wolfe was best man, and John Bergschneider, Ronald Sheppard, Galen Peacock, Mark Whitworth, Neal Howard, the bride's cousin, and William Eichen were groomsmen and ushers.

The wedding reception was held at the Elk's Lodge. After a trip to an undisclosed destination, the newlyweds will live in Collinsville.

The rehearsal dinner was given at the home of the bridegroom's parents. Both young people are graduates of Granite City high school and the bridegroom is presently attending SIU-SW.

Among the out-of-town guests attending the wedding were Mrs. Norma Powell was hostess and Mrs. Philip Watson and son Phillip Jr., of Ossage, Mo.; Mrs. Julia Angelo, Carlinville, Ill.; Mr. and Mrs. Bruce Gole of West Virginia; Mr. and Mrs. Thomas Hazlett of California; Mrs. Leland Meads and daughter and Mr. and Mrs. Gerald Peacock of Girard, Ill.; Mr. and Mrs. Jesse Peacock and daughter of Boone Terre, Mo.; and Mr. and Mrs. Joe Kremer of Fort Smith, Ark.

## NAVY MOTHERS AID TWO AGENCIES

Commander Betty Mertz of Quad-City Navy Mothers Club presided Thursday evening at a business meeting at the VFW hall. Twenty members were present.

The group contributed \$100 to the National Club for credit welfare work, and \$10 was sent to the Ship of Hope project for medicinal purposes.

Hostesses were Mrs. Nellie Dix, Mrs. Clara Layton and Mrs. Ida Holder. The mystery package was awarded to Mrs. Mildred Walker, and prizes in the games went to Mrs. Norma Darnell, Mrs. Mertz and Mrs. Walker.

The next meeting will be July 16, instead of July 2, as the members will be working at Wilson Park on that date.

## PETROFF'S VISIT PARENTS HERE

Dr. and Mrs. Dennis P. Petroff and son were guests of relatives here the past week while enroute to Portsmouth, Va., where Dr. Petroff, who recently graduated from the University of Illinois Medical School in Chicago, will begin his residency in obstetrics and gynecology at a hospital there.

During their stay, his parents entertained with a family party in their home. He is a grandson of Mr. and Mrs. Milton Worthen, 3506 Terrace lane and of Mr. and Mrs. Boris Petroff of California. Mrs. Petroff's parents are Mr. and Mrs. John Bosich, 2101 Cottage avenue. She is the former Pamela Bosich.

## RUTH CLASS MEETS AT LARSEN HOME

The Ruth Class of First Baptist Church met Thursday evening in the home of Mrs. Evelyn Larsen, 9 Mile court. Mrs. Louise Baker called the meeting to order and prayer was offered by Mrs. Marie Detmer.

Devotions were given by Mrs. Ruby Foster, and games were played with prizes going to Mrs. Foster, Mrs. Ellen Douglas and Mrs. Helen Bain.

Refreshments were served to those mentioned and to Mrs. Elinor Stagner.

**MARRIED RECENTLY.** Mr. and Mrs. Robert Marczak, whose wedding took place at St. Mary's Roman Catholic Church in Madison. The bride is the former Karen Sue Kosak, a daughter of Mr. and Mrs. Frank Kosak, 1028 Greenwood street, Madison. Mr. Marczak is the son of Mrs. Julia Marczak, 1703 Elizabeth street.

## Increases in Tuition At SIU-SW, Carbondale

SIU trustees, meeting Friday at Carbondale, raised quarterly tuition for full-time non-resident students by \$158 and for Illinoisans by \$50. Higher operating costs were cited.

At both the Southwest and Carbondale campuses, Illinois residents will pay effective in the early 1971 winter hours—\$39 per quarter for five hours of credit or less, \$78 for six to 10 hours of credit and \$117 for 11 hours or more.

Beginning this fall, non-residents will pay \$153 per quarter for five hours or less, \$265 for six to 10 hours and \$398 for 11 hours or more.

Higher tuition at state-supported universities has been urged by legislators, Gov. Ogilvie, the Illinois Board of Higher Education and various university administrators and boards.

Carl Taylor, secretary of an electricians' union, and Bill Colp, a Carbondale businessman, appeared before the SIU board to offer "support and backing" to the university.

Saying they spoke for the "silent majority," they urged the board to expel student demonstrators and to make "firm, definite rules" about campus protests.

They reported that over 20,000 signatures have been obtained calling for more effective leadership by the board and administration to quell disturbances like those which disrupted the Carbondale campus last month.

Colp said citizens are "sick of the situation" and want firmness toward student and faculty conduct. "If this is, indeed, repression then let repression begin," he commented.

Taylor, who said he represented 14 unions with members said there should be expulsion and firing of those taking part in "unholy deeds" such as the May rioting in Carbondale.

## Some Flooding, No Wind Damage Listed

No significant damage was reported in the Quad-City area from a rain and windstorm which arrived here from the northwest at about 4:30 p.m. Saturday. Severe flooding at 22nd State streets and at 19th street and Niedringhaus avenue was reported at 5 p.m. and other streets temporarily were filled with water.

Weather Bureau radar indicated tornado-type clouds moving east from Lambert Field and later east from the vicinity of Edwardsville, but there was no alert for the Quad-Cities other than the possibility of rain, hail or damage.

Windows were blown out and a house trailer was overturned by wind in the Alton-East Alton area, where a woman and child received minor injuries.

## Cite Mitchell Fireman For Saving Girl, 7

Stanley Lucas, a Mitchell volunteer fireman whose quick action was credited with saving the life of a seven-year-old girl who tried to enter a car that had been struck by a fallen power line during a fire was honored Saturday night during ceremonies at the Mitchell firehouse.

A plaque citing Lucas for his actions was presented to the fireman by Florissant Fireman Joseph C. Carls, president of the Missouri Chapter of the Fraternal Order of Fire Fighters. The recognition was made during an annual dinner program of the Mitchell fire department.

Lucas was on duty at the fire which destroyed Poor Boy John's disreputable house near Mitchell, Mo., last week. Janice Baehr, daughter of Mr. and Mrs. Edwin Baehr, Rural Route Two, Grand City, tried to get inside a car when a power line fell.

The wire struck the car and Lucas said he could not get out of the car. He pulled the girl away from the car and gave her mouth-to-mouth resuscitation.

Both Autos Turn Right  
Autos operated by Robert Gerald Tucker, 1638 State street and Gregory Nighossian, 1723 Chestnut street, collided at St. Louis and Chestnut at 9 p.m. Sunday when both drivers attempted to make right turns.

## HONORED AT SHOWER

Mrs. Gene Kampmann, 124 Kent street, was given a cradle shower Wednesday in honor of the birth of a second child, Cheryl Lynn. The infant has an older sister, Kathy Jeanne.

After the opening of many gifts a luncheon was served for the buffet table centered with a decorated cake.

Those present were Mrs. John Kampmann of Venice, the hostess, and Mrs. Jeannette Wilkinson of Venice, Mrs. Terry Gilligan of Granite City, Mrs. William Gilligan of Granite City, Mrs. Kampmann and children, Kathy, Bill, John, Mike and Eric, of Venice.

Mr. Jackie Besserman and children, Tami Lynn and Harold Jr., Mrs. Betty Sanders and children, Linda, Karen and Patty, Mrs. Terry Keath of Marion, Mrs. Athie Bugg of Granite City, Mrs. Sheryl and daughter, Ann, and Kim Suggs.

## READY MIX CONCRETE CALL LYBARGER 452-3107 OR 452-4180

Theresa and Jeanne Bilbrey, 515 Fillmore street, returned home Sunday evening after spending two days in Staunton where they visited their uncle and aunt, Mr. and Mrs. Joseph Kulash.

While there, they also visited Charles Weber, the girls' grandfather formerly of Granite City.

## UN 25th Anniversary Medals on Sale Here

The official United Nations 25th anniversary commemorative tie-die sterling silver medals are being offered for sale at the Granite City Trust & Savings Bank. It was announced today by Ernest A. Karandjeff, president.

The medals will be available through Friday, July 17, at the following prices: 1 1/2-inch sterling silver medal, \$5; 1 1/2-inch sterling silver medal in a plastic holder, \$10; and 2 1/2-inch sterling silver medal with display stand, \$20.

Karandjeff said the UN General Assembly authorized the minting of the medal proclaiming the anniversary theme—"Peace, Justice, Progress." The quantity of medals is limited.

## Man Fires Shotgun at Freezer in Basement

Mrs. Edith Ethern, 2314 Mission street, reported at 4:55 p.m. Sunday that a man fired a shotgun into a frozen food freezer in the basement of her home, while supposedly inspecting a set of bathroom fixtures she has offered for sale.

The woman told police the man left the area of the basement where the fixtures were located, picked up a shotgun from the opposite side of the room, placed a shell in the chamber and pulled the trigger.

The bullet penetrated a freezer chest about five feet away, she said.

Mrs. Ethern was unable to give a reason for the man's actions and was advised to contact the state's attorney to lodge a formal complaint.

### DELICIOUS BEEF TACOS BERTS CHUCK WAGON

CRADLE SHOWER  
Mrs. Jim Kozar was guest of honor at a cradle shower Friday evening at the Westerner Club lodge in Alton. Hostesses were Miss Linda Kozar, Mrs. Linda Hansen and Mrs. Beulah Lehman.

Games were played, with prizes awarded.

Mrs. Kozar opened her gifts, which were on a table decorated with pink and blue and centered with a large star.

Refreshments were served from a table, also decorated with pink and blue, centered with a punch bowl encircled with small stars. The sheet cake had a tiny doll centering each serving.

Favors were stars and pink and blue nut cups trimmed with small flowers. Each table had a streamer and the main centerpiece was a white umbrella sprinkled with blue flowers.

### ENTERTAINS CLUB

Highway 162, entertained the July Eight club Thursday evening. Prizes were awarded to Mrs. Linda Summers, Mrs. Marie Hlava, Mrs. Pat Dorch and Miss Loma Lassen.

Refreshments were served to the winners and Mrs. Geneva Kopchak and Mrs. Jettie Lassen.

### JOINT BIRTHDAY DINNER

Mr. and Mrs. John Hand entertained with a dinner Thursday evening in honor of her mother, Mrs. Charles Moerli, and in honor of her daughters, Melody and Kimberly.

Two birthday cakes centered the table, one pink and white and the other chocolate. The decorations were in a birthday theme and included streamers and balloons.

The honorees received many gifts. Present were Mr. and Mrs. John W. Hand, Alderman and Mrs. Charles Moerli, Mrs. Mary Pigler and sons, Craig and John, and Kimberly, Melody, Dennis and Debra Hand.

### LIST WITH COCHRANE "IT'S SOLD"

Mr. and Mrs. Harry N. Ellsworth Jr., 2569 Hodges avenue, hosted a barbecue dinner for several family members in their home Saturday evening in observance of Father's Day, honoring Frank Murphy, 5129 Rapp road.

Both the host and Murphy were presented with gifts from their children. During a social hour, games were played. Later in the evening, a dessert luncheon was served.

Dinner guests were the honoree, his wife, Anabel, and son, Frankie, the hosts' children, Ethan, Evan and Anne Marie, and a sister and brother-in-law, Mr. and Mrs. Bob (Jeanne) Deckard and children, Timmy and Gina.

### CENTRAL CHRISTIAN VACATION SCHOOL

Vacation church school will be held June 29-July 10 at Christian Church, 2020 Johnson road, from 9 a.m. to 11:30 a.m. Monday through Friday. Co-chairmen are Mrs. Jackie Woodruff and Mrs. Cheryl Humphreys. Every child between kindergarten and seventh grade is welcome to attend the classes.

The staff of teachers and helpers includes: Martha Vandergriff, Laura Hanson and Denise Lussiana, kindergarten; Barbara Butler, Ann Osborn and Nancy Vunovic, first grade; Shirley Brokaw, Dorothy Brokaw and Vickie Leggett, second; Donna Wetherholt, Diane Parrish and Lisa Goethals, third; Arla Autt, Alma Cassy and Steve Ruelhof, fourth; and Fran Craddock, Judy Hall, Mildred Collins and Susan Turner, juniors.

Members of the Christian Women's Fellowship will be in charge of furnishing refreshments for the classes. Items needed for the classes include buttons, clear detergent bottles, spoons, boxes with lids, and their wives.

### PLAN CADETTE CAMPOUT

Cadet Girl Scout Troop 183 met Thursday at the home of its leader, Mrs. Joyce Hand, and planned a three-day campout beginning June 29 at Franklin, Ill. The girls are to leave the Hand residence at 7:30 a.m.

They will work on the emergency preparedness badge at the campout. Present were Debra Hand, Ruby Green, Twila Scherz, Cindy Meyers, Terry Mills, Cindy Garber, Kim Hodges, Marilyn Watson, Eva Houslein, Ruby Green, Eva Keel and Carol Mabe.

The next meeting will be held in September.

MRS. BONHAM CROWNED  
The Will Show 'Em club crowned Mrs. Leona Bonham as queen of the week during a meeting Thursday evening in the home of Mrs. Esther Reutzel, 2412 Pontoon road. The queen has held the title for three weeks. She was presented with a silver tiara and a basket of fresh fruit.

The leader, Mrs. Bernice Gergen, led the pledge of allegiance and the club pledge. Mrs. Ruby Corbett led the group in prayer and new rules were discussed. It was decided to pay dues weekly rather than monthly.

Mrs. Katherine Smith, weight recorder, recorded losses and gains. Mrs. Gergen announced that Team Two won a recent weight contest; Team One will prepare a low-calorie luncheon for the winners at the next meeting.

The meeting was closed with prayer by Mrs. Reutzel, and a social hour was enjoyed. Those attending were Mrs. Bonham, Mrs. Karen Cooper and Mrs. Sophia Kraus.

### OPPOSES FUEL TAX FOR MASS TRANSIT SUBSIDY

To the Editor:

Governor Ogilvie's bold proposal for public mass transit subsidies via half-cent gasoline tax increase has caused quite a stir... in the halls at Springfield and along the streets in every town in Illinois.

Downstate Illinois isn't pleased. Legislators are reporting great interest, almost entirely negative, from their constituents downstate. Only Chicago is pleased.

People in my district are strongly vocal in their opposition. I agree with the viewpoint.

1. I don't want a gas tax increase, especially after the tax on the Chicago Transit Authority. Downstate highways need all the help they can get.

2. I don't want a gas tax diversion from highway use, especially if half of the diversion would go to the Chicago Transit Authority. Downstate highways need all the help they can get.

3. I'm not ready to vote a subsidy for CTA.

First, a commission is at work on the operational study of CTA. By the next session, its report could be complete and highly useful.

Secondly, the CTA is politically connected with the rest of the administration of Chicago. In addition to not being convinced that CTA really needs a subsidy, I don't want downstate citizens contributing to Chicago politics.

4. Even though Bi-State Transit would be eligible for aid under the proposal, it would have difficulty in actually utilizing it. There is a huge gap in the mass transit systems in which mass transit systems exist must contribute dollar for dollar matching funds. It is unlikely that the various cities affected will agree and cooperate in providing these funds.

It's unfortunate that Bi-State can't be considered separately from CTA. Simply because it isn't politically involved and entangled, it merits at least a second look.

Yet, any aid to Bi-State is as yet, and inevitably attached to general mass transit aid, and to CTA aid specifically.

Proposed Venice Facilities Are Needed and Can Qualify for 3-to-1 U.S. Housing Funds

The bold new Venice municipal construction proposal merits public support for two key reasons. It fits in well with the program under which many new residences are to be built, and the specific facilities proposed are needed.

Earlier, rapid response is being made toward implementing a federal neighborhood renewal housing development, through which individual homes are to be constructed rather than the customary apartment structures.

To secure three-for-one U.S. funds for this purpose, credits for city expenditures are necessary.

Current plans call for a \$200,000 Logan street recreation building site, with 10% credit received; \$100,000 fire station at Klein and Brown streets, 50% credit; and \$100,000 city hall renovations, 50% credit.

With low interest rates to be offered for remodeling of homes as well as federal funds being provided for razing and replacement of existing dwellings, the inclusion of the new city hall renovations is a bold step toward achieving improvements approaching \$1½ million for only a small fraction of that amount in property taxes.

NO QUICK WAY TO CUT TRAFFIC INJURY TOLL

It is sad to note that the airbag safety device proposed for some new autos in 1971 and all new cars by 1973 has been found to be impractical and unsafe. For a time, there had been hope that the tragic highway and street collision injury and death toll could be sharply reduced.

The system, the Federal Highway Administration, instantly when a vehicle made solid contact with another object. Occupants thrown forward would be cushioned and saved from the bruises and fractures which otherwise could result. The bags were thought to offer greater protection than the seat belts and shoulder harnesses currently installed in autos.

The experiment has been virtually abandoned because of the danger of the inflating bag found to damage the instrument panel and windshield to an extent that worse, rather than lesser, injuries were possible, particularly in multiple-injury cases.

It's back to the drawing boards and, until such safety devices can be perfected, the number of casualties will remain as high as drivers' attention and competency allow it to be.

By GEORGE P. SHULTZ  
(Former U. S. Secretary of Labor, now Director of the Office of Management and Budget)  
(Second of Two Articles)

The dignity of work is the counterpart of human dignity. The center of power without allowing it to become cut-throat competition—and without taking the necessary steps to contribute to the determination of our national goals and then must invest himself locally in making those goals a reality where he lives.

This may not seem like a revolutionary credo, but if it is followed in our time, it could have the same revolutionary impact as the credo of the original Federalists.

In spelling out the fundamental principles of a new approach to government, I have had to oversimplify. It is infinitely complex—far more complex, I submit, than a doctrinaire liberalism or conservatism.

These are some of the questions we face in putting these principles into practice. When the problems lead themselves to national standards and which do not?

Never, since the time of the original Federalists, has there been a more pressing need for a national approach to government, I have had to oversimplify. It is infinitely complex—far more complex, I submit, than a doctrinaire liberalism or conservatism.

These are some of the questions we face in putting these principles into practice. When the problems lead themselves to national standards and which do not?

## Economical, Could Increase Public Usage

Just as families and businesses often save up money to help pay for additions and acquisitions, many of our employers certain local-level governmental bodies to accumulate funds enabling them to carry out capital improvements. In the process, bond issues—and interest costs—sometimes are avoided.

With this in mind, the Granite City municipal government is permitting the library board to gradually amass a reserve from which a site and building are to be provided for branch library facilities.

The move is a good one because of the present high degree of use of the main library, and because outward residential growth has decreased the geographic convenience of the 20th street-Delmar avenue location for many Granite Cityans.

A library, to be of service, must be utilized. The planning which is in progress is aimed at the right target—greater utilization.

## Downtown Mall Project 'Rising Off Launch Pad'; Detailed Plans Are to Be Prepared

Formal city council sanction of the downtown mall project, coupled with significant progress in obtaining the required construction funds from business firms and property owners, brings nearer the day when the attractive redevelopment project is a tangible reality.

Detailed plans are to be prepared for the two-block Niedringhaus avenue and three-block 19th street areas, featuring landscaping, broader sidewalks, planters, parking areas and revisions in the handling of vehicular traffic. Following city acceptance of the detailed specifications and drawings, calling of bids and the actual work are to proceed.

The end result seems sure to be a pleasant, convenient and eye-pleasing commercial district. It is gratifying to note that stores within the downtown area are making plans for remodeling, expansion of services and other improvements which will add greatly to the success of the mall.

## Junior College Site to Be in Alton Area

Purchase of Monticello College in the Alton area by the State of Illinois and the Community College District confirms the long-held assumption that a site adjacent to Alton would be chosen for the junior college.

Whether the location was convenient to the Quad-Cities and Collinsville would have been chosen if they were a part of the district is unknown. It is within the realm of possibility, but an Alton site seemed much more likely from the start due to the boundaries, which included counties and territory to the north and east of Alton as well as portions of Madison county.

The way the line was drawn, Alton was the obvious center and the logical site choice, a decision lately made easier by the availability of the fund-starved private college for girls. We have no objection to the \$4 million purchase, but we do object to the post and this now that it was pertinent to realize the heavy odds against the proposed junior college being situated conveniently to the Quad-Cities.

## 60-Year Milestone for Rev. Wintermeyer

Best wishes go to Rev. Henry H. Wintermeyer, interim pastor of St. Peter's United Church of Christ, on the occasion of his 60th anniversary as a minister. Service to God and man have such a long period of time that it is an outstanding example of dedication to spiritual values and their application to people's lives.

## 50 YEARS AGO

JUNE 22, 1920

Three of four propositions submitted to voters of Community High School District 149 at special election carried by overwhelming majorities. But voters failed to name a site for the proposed new high school building at a cost of not more than \$200,000.

The first annual picnic of the Union Sunday School Association will be held at Moellenbrock's Grove on Saturday. Those attending will take part in a parade, led by the Granite City band, and will be driven to the grove.

Games and contests have been arranged and J. W. Costley, transportation chairman, expects to need about 100 machines to convey the Sunday school pupils to the grounds in the morning and home in the evening. Albert Busch is chairman of the refreshment committee and N. E. Goble is purchasing chairman. Association officers are John Kleinschmidt, William C. Jennings and Costley.

Overalls called for and delivered—Leader Cleaning & Dyeing Co., 1828 D street, Bell City 336.

## 25 YEARS AGO

JUNE 22, 1945

The Tri-Cities now have 122 God Star mothers. Each has lost a son or daughter in the service of the country. Hundreds of other women wear the Purple Heart. Against these sacrifices, buying a War Bond, where you get back \$4 for every \$3, is nothing—but it is vitally important in bringing the war to a speedy end.

About 200 foremen and supervisors of Granite City Steel Co. enjoyed a summer party in the conference room of the executive offices. The group was entertained by an all-star cast of talent, which staged a musical review written and directed by Bill Miller of the open hearth department. The cast included Martin Schuster as interloper, Rodney Kaye, S. Chandler, Nick Neuringer, Russel Britt, Fred Rasche, Wes Senoff, Christy Baechold and Miller.

Mrs. Madeline Holmes and sons, Denny and Frank, and Mr. and Mrs. John Williams of Fifth street, Madison, are vacationing with relatives and friends in Missouri.

The Nightingale-A-Club held an organization meeting at the home of Betty Marmion, 2801 Grand Avenue, under the leadership of Marcella Bischoff. Miss Mary Straubinger, county home advisor, spoke. Officers elected were Jean Bischoff, president; Maxine Bohnenstiel, vice-president; Rosemary Shepherd, secretary-treasurer; Irma Branding, reporter; and Betty Marmion and Mary Jane Huff, recreation leaders. Other members present were Dorothy Schilling, Alice Ann Shepherd, Neva Bischoff and Janelle Bischoff.

Past Regents of the Veterans of the Moose enrolled a new member, Mrs. Lulu Gundlach. Prizes in games were won by the hostess, Miss Alice Bohnenstiel and Mrs. Georgia Mack.

Hiring controls are being relaxed to facilitate employment of veterans. Illinois employers unable to obtain workers locally now can reach veterans in other parts of the state or in other states by placing job orders with their local U. S. Employment Service office for distribution in their areas.

## University Pursuits—Knowledge, Growth of Individual—Constitute Values That Are Worth Preserving

By DR. JOHN S. RENDELMAN  
Chancellor, Southern Illinois University

This is written out of a long-held conviction, reinforced by our experiences over the past months, that the values of a university are worth preserving.

Understanding a student support can do more for the peace of our world than any other action. It is the duty of a university to support the peace of our world.

The reality of a university, however, transcends the land on which it stands and the buildings in which its pursuits are carried on. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

The soul of a university is its pursuit of knowledge, its growth of individual, its pursuit of truth. The university is a living entity, a growing organism.

## Goal of New Federalism—National Fairness, Local Administration, Public Confidence in Government

By GEORGE P. SHULTZ  
(Former U. S. Secretary of Labor, now Director of the Office of Management and Budget)  
(Second of Two Articles)

Examples have been given of the way in which the New Federalism affects policies of the present administration.

I could cite a dozen other examples of this New Federalism approach—in our environmental program, that sets anti-pollution standards and provides for enforcement of these standards by sharing of the financing of treatment facilities.

In tax policy, that removes seven million poor from the tax rolls and provides a greater incentive to start and expand a business in our computerized job bank, that looks toward a national information system with local and regional participation and control.

In case after case, the pattern is clear—a concern for fairness as a nation, a people, a recognition of federal stewardship.

But while it is a clear pattern, it is not a simple one. You cannot label this "decentralization" because the establishment of so many national standards, in so many fields, is a form of centralism.

But it is done in a way that does not demean and depersonalize government, resulting in alienated people and ineffective bureaucracy.

It is done in a way that decentralizes authority and encourages local participation, bringing about the best of both worlds—fairness and citizen involvement. At least, that is what we are hoping to do.

By taking this step, we hope to reestablish in the American people their faith in the responsiveness of their government to what they consider to be fair.

By following this method, we hope to reestablish self-reliance on the part of individuals and strengthen the institutions of local and state government and voluntary agencies.

And by pursuing these principles, we hope to achieve a society in which the power of government and more equal in its opportunity.

We do not believe that equality of opportunity is the enemy of diversity. If we are successful—with our philosophy of sharing of power between the levels of government, what sort of nation will we become?

At the same time we will not be a nation where tranquility and calm and harmony reign supreme. A national nirvana is not in the cards for America. We have seen what happens in the arena of labor relations when strikes and lockouts and sabotage are replaced by orderly grievance procedures.

final third of this century is to encourage competition among the centers of power without allowing it to become cut-throat competition—and without taking the necessary steps to contribute to the determination of our national goals and then must invest himself locally in making those goals a reality where he lives.

This may not seem like a revolutionary credo, but if it is followed in our time, it could have the same revolutionary impact as the credo of the original Federalists.

In spelling out the fundamental principles of a new approach to government, I have had to oversimplify. It is infinitely complex—far more complex, I submit, than a doctrinaire liberalism or conservatism.

These are some of the questions we face in putting these principles into practice. When the problems lead themselves to national standards and which do not?

Never, since the time of the original Federalists, has there been a more pressing need for a national approach to government, I have had to oversimplify. It is infinitely complex—far more complex, I submit, than a doctrinaire liberalism or conservatism.

## Price Backs Cambodia Move; Cease-Fire Plan

Newly returned from a fact-finding mission to the Indochina battlefield, Cong. Melvin Price said Saturday night that "the much-disputed Cambodian move was a sound, prudent and in fact, produced a significant tactical victory."

The trip "permitted me to observe the substantial improvement in South Vietnamese military performance and to note a realistic resolve and awareness in the South Vietnamese government now that this is in reality and soon — their war and not ours," Price told Belle Ville Jaycees at their installation banquet.

He urged increased public efforts to call local and world attention to Americans who have been captured by North Vietnam or whose fate is unknown.

"I am encouraged that our military success, coupled with the heightened attention to South Vietnam, will bring to the crucial time President Nixon needs to carry out his Vietnamization policy," he said.

Urging a one-day or two-day cease-fire, Cong. Price said, "I suffer no delusions about the success of earlier cease-fire initiatives, but this time there is a difference."

"Whereas in the past the Vietnamese and Viet Cong had no incentive, since they had to just wait out the withdrawal of U. S. forces, they now must see that a new time frame has been established in which—even allowing for such a withdrawal—they cannot obtain total victory."

"If their leaders are rational men, they cannot escape the conclusion that a cease-fire now, followed by sincere negotiations, is truly in their own self-interest."

## Dr. C. F. Kuch, 84, Chiropractor, Dies

Dr. C. F. Kuch, 84, of 2542 Lincoln avenue, a semi-retired chiropractor, was found dead at home Sunday morning by George Willis, who had an appointment with the doctor.

Dr. Kuch was pronounced dead by Raymond Thomas, deputy coroner, at 11:30 a.m. Sunday. Thomas said the doctor had been dead for several hours, apparently of natural causes. There will be an inquest.

Born in Bethlehem, Pa., Dr. Kuch lived in this area for 70 years and had been a chiropractor for 50 years.

Surviving are two brothers, William Kuch of St. Louis and Jacob Kuch of Abilene, Tex.; and several nieces and nephews.

Funeral arrangements are given in today's obituary column.

## 16 Emergency Mobile Radio Units for Local Agencies

During the next six weeks, Granite City will receive 16 mobile radio units, SIU-SW will get four and the village of Pontoon Beach will receive two of the units, the Press-Record was told Saturday.

Eighteen hundred radio units, which will allow interagency car-to-car communications are being shipped to 364 municipal, county and state law enforcement agencies throughout Illinois, according to Illinois Department of Law Enforcement Director Herbert D. Brown. The Madison county distribution will total 45.

The units, furnished at no cost to the agencies by the state, will allow emergency communications on a common high-band frequency known as the Illinois State Police Emergency Radio Network, Brown said.

"ISPERN is a program of the Illinois Department of Law Enforcement to coordinate common communications between all policemen in Illinois," he said.

"The units are being assigned to 588 agencies which have applied to participate in the ISPERN program. The units are being requested to purchase 2000 more radios so that every police vehicle in Illinois will be linked to the frequency by the end of 1970."

"ISPERN participants need only assume the cost of installation and repair of these units and any additional equipment necessary to use the new units," Brown said.

**Disasters, Fleeing Suspects**

"These agencies must agree that the equipment will be used only in cases of an emergency such as disasters, riots, disorders and law situations or the apprehension of criminal suspects," he said.

The operating rules and other procedures are determined by an 11-man governing board composed of representatives of the Illinois Association of Chiefs of Police, Illinois Sheriffs Association, Illinois state police, Chicago police department and the Associated Public Safety Council.

"The ISPERN frequency will provide the means for cooperation and coordination between law enforcement agencies at every level in waging a war on crime," Brown said.

**Free Communications**

"At last, police communications in Illinois are entering a new era," he said. "This is something which we desperately needed and which has been advocated by Gov. Ogilvie since he held the office of sheriff of Cook county."

Brown said the Department of Law Enforcement must make efforts to get information about ISPERN to every police agency in the state utilizing two-way mobile communications.

He urged agencies which have not received the information to contact the Department of Law Enforcement Communications Operations, 2775 W. Algonquin rd., Rolling Meadows, Ill. 60008.

## Defendant in Robbery Case Fails to Appear

Alvin Wayne Moore, 34, of Bridgeview, Mo., has been indicted by the Madison county grand jury on a charge of armed robbery in the holding of the Maryland Bi-Rite Market on the 22nd of May. He failed to appear for arraignment in circuit court on Sunday morning.

Moore was charged with obtaining \$4642 in the robbery, which was followed by a police chase through the Pontoon Beach area and the capture of Moore after he went into a ditch.

Trone said Moore has been free on \$20,000 bond and his defense attorneys are attempting to locate him.

Also indicted were three Madison men charged with the theft of copper wire from the railroad yards in Eagle Park Acres, they are James and Robert Rogers of Brooklyn, and Joseph Wooten, 223 Carver street, Eagle Park.

## Parked Cars Struck

Parked cars owned by Patricia L. Noland, Champaign, Ill., were damaged about 4:30 a.m. Sunday when they were struck by a car driven by a 1960 block of Fourth street. The Noland car was damaged in the left front and the Rushing car in the left side.

## MORE ABOUT United Fund

Why they are giving and to what," Dashwood said.

**Emphasis on Youth**

"With trouble involving youth reported from various parts of the country, all must be interested in the work of the YMCA, the Boy and Girl Scouts and other agencies serving the young people," Dashwood commented. "We must show the people what these agencies are doing for our youth," he pointed out.

He spoke briefly of the divisional chairmen who have been elected to the position of responsibility in the coming drive and noted the group has met twice in the last working hard to build a good organization."

"We think we can do what seldom is done — at least a 100% increase in the year to the next. This is a tough target, but I think it is a realistic one," he said.

The later work of the group was to make the campaign goal the \$407,000 figure proposed by the drive chairman.

In other action, the board voted unanimously to re-elect the 1969-70 executive committee, rather than the 4 p.m. starting time as in the past.

The later work of the group was to make the campaign goal the \$407,000 figure proposed by the drive chairman.

## Boy Finds, Returns Stolen Charge Card

Mrs. Frances Craddock, whose purse was stolen June 12 from a table at Central High School, told the Press-Record Friday that one of the missing charge cards was found and returned to her through the honesty of a sixth grade boy, John Moulton, son of Mr. and Mrs. Charles Craddock, 1340 J. Avenue.

The purse had been found earlier along the drainage ditch near the church with two charge cards missing.

The boy showed Mrs. Craddock where he had found the card, and a search uncovered the second missing card.

Mrs. Craddock said she rewarded the boy, a Cub Scout, for his honesty.

## Given Trip to Texas

Mrs. and Mrs. Daniel Deak, 2923 West 20th street, were notified Friday they were the recipients of a trip to Ft. Worth, Texas, provided by the Tom Boy food market at Pontoon Beach.

## Allocation Breakdown

A breakdown by agencies of the pre-campaign allocations follows. Listed in sequence are the current allocations, the agencies' requests for 1971, and the pre-campaign allocations authorized Thursday.

American Red Cross — \$35,300; \$27,748 and \$57,748.

Salvation Army — \$22,000; \$26,890 and \$24,000.

Catholic Charities — \$32,500; \$41,750 and \$33,500.

United Youth Services — \$25,500; \$59,025 and \$33,000.

Family Service Agency — \$45,000; \$45,000 and \$45,000.

YMCA — \$5000; \$8761 and \$7000.

Protestant Welfare Association — \$17,500; \$21,500 and \$19,000.

ARCH — \$7000; \$13,770 and \$11,000.

Arthritis Foundation — \$2000; \$2000 and same.

Gracie City Association for Retarded — \$5000; \$7000 and same.

Health Service Fund — \$6000; \$5000 and same.

Visiting Nurse Association — \$4700; \$8000 and \$7000.

Boy Scouts — \$49,000; \$78,871 and \$62,500.

YMCA and Teen Town — \$72,000; \$89,500 and \$76,000.

United Services Organization (USO) — \$5000; \$5000 and same.

Other national agencies — \$800; \$770 and \$800.

Total to all UF agencies — \$321,800; \$443,389 and \$351,818.

United Fund Administration — \$26,423; \$28,225 and same.

ATF-CIO Community Services — \$11,097; \$12,139 and \$12,140.

Campaign expense — \$5000; \$5000; reserve — \$5000; \$5000 and \$5000.

Grand total — \$369,320; \$469,383 (requests) and \$408,283 (allocated).

## Illinois Airport Site Best—Baer

Resigning from the Municipal Airport Commission on Thursday after 16 years, Howard F. Baer proposed a proposed Madison County airport site near the new headquarters of their headquarters, Brown said.

## Disasters, Fleeing Suspects

"These agencies must agree that the equipment will be used only in cases of an emergency such as disasters, riots, disorders and law situations or the apprehension of criminal suspects," he said.

## Operating Rules and Other Procedures

The operating rules and other procedures are determined by an 11-man governing board composed of representatives of the Illinois Association of Chiefs of Police, Illinois Sheriffs Association, Illinois state police, Chicago police department and the Associated Public Safety Council.

## ISPERN Frequency Will Provide Means for Cooperation

"The ISPERN frequency will provide the means for cooperation and coordination between law enforcement agencies at every level in waging a war on crime," Brown said.

## Free Communications

"At last, police communications in Illinois are entering a new era," he said. "This is something which we desperately needed and which has been advocated by Gov. Ogilvie since he held the office of sheriff of Cook county."

## Brown Said Department Must Make Efforts to Get Information About ISPERN

Brown said the Department of Law Enforcement must make efforts to get information about ISPERN to every police agency in the state utilizing two-way mobile communications.

## He Urged Agencies Which Have Not Received the Information to Contact the Department of Law Enforcement

He urged agencies which have not received the information to contact the Department of Law Enforcement Communications Operations, 2775 W. Algonquin rd., Rolling Meadows, Ill. 60008.

## Third Week Bus Schedule For Girl Scout Day Camp

The third and final session of Day Camp for Brownies and Girl Scouts in the River Bluff Council will begin at 9:30 a.m. Monday, June 29, and end on Friday, July 3, at 3 p.m.

## Bus Schedule for the Closing Week is as Follows:

Bus number one, leaves 8:30 a.m. Varsity school, returns 3:30 p.m.; leaves 8:35 a.m. Madison Recreation Center, returns 3:40 p.m.; leaves 8:40 a.m. Emerson school, returns 3:35 p.m.; leaves 8:45 a.m. Niedringhaus school, returns 3:30 p.m.

## MORE ABOUT Madison School

annually to a maximum of \$2.30 per hour in the fifth year of service.

The daily schedule is based on 190 minutes per day, 178 working days, plus eight paid holidays, during the school year.

## On This Rate, Cooks Will Receive Annual Salaries of \$2892 for the First Year to \$2992 in the Fifth Year.

The schedule sets up two categories for these workers: those employed full time, eight hours per day for 187 days, including summer school and part-time workers employed four hours per day.

## Four Teachers Employed

The board Thursday night approved the resignations of three teachers, Miss Theresa C. Conan of Dunbar school, Mrs. Marianna Davis, elementary physical education teacher, and Miss Judy Spurrier, Madison high school teacher.

## Transfer of Willie E. Dennis as a Teacher from the Senior High School to the Junior High School

Four new teachers were employed for the 1970-71 school year. They are Miss Diana M. Dochwat, as special education instructor at Louis Bae School; Michael R. Smith, teacher at Dunbar school; and Mrs. James Worham, teacher at Blair school.

## The Board Occurred in the Appointment of Three Psychologists to Serve the Quad-City Special Education District

The Madison school board Thursday night approved the appointment of three psychologists to serve the Quad-City special education district made up of the Madison City, Venice and Madison school districts.

## Amend Appropriation

The board also approved an amendment to the districts 1969-70 appropriation permitting the transfer of \$23,000 from the contingency appropriation into the budget for the school lunch program.

## Scott Rules General Fund Could Aid Transit

Attorney General William J. Scott on Friday issued a legal opinion which may help pave the way for a legislative solution to public transportation woes in Chicago and some downstate cities.

## In an Opinion to Senate Leader W. Russell Arrington, Scott Ruled that State General Revenue Funds Could Be Used to Aid Mass Transit Without a Call for Another Special Session.

"While the proclamation which created the current special session of the legislature specified that transit aid would be considered via an increase in the Illinois motor fuel tax," Scott's ruling held, "the manner in which financial aid is given is a matter for the legislature to determine."

## Scott's ruling was viewed as possibly speeding the transfer of \$20 million to the Chicago Transit Authority and other allied transportation systems, should the Cook county circuit court allow his request for an immediate, final determination of a three-year-old suit.

## Scott's ruling was viewed as possibly speeding the transfer of \$20 million to the Chicago Transit Authority and other allied transportation systems, should the Cook county circuit court allow his request for an immediate, final determination of a three-year-old suit.

## Child Is Treated for Auto Exhaust Fumes

Thomas Clements, 17 months old, son of Mr. and Mrs. Harold Clements, 241 Benton street, apparently overcome by auto exhaust fumes, was taken to St. Elizabeth Hospital at 1:30 a.m. Saturday.

## The child later was transferred to Cardinal Glennon Hospital, St. Louis, for further treatment.

## Pet Gone, Needs Shot

Joseph E. Young, 1813 Marion street, Madison, is seeking to locate a missing pet which is ill and could be dangerous to youngsters. "Candy," a five-month-old Doberman pinscher, rust colored with a lighter area around the eyes, apparently was taken from his yard Friday morning. It is overdue to receive a distemper shot and other medication, Young said.

## Vandalism to Home, Auto Reported in GC

Using a glass bottle, a vandal broke the rear window of a 1964 auto of Lee Ash, White Hall, Ill., Saturday night in the 2900 block of N. Grand street. Ash also reported that the right front door had been kicked, causing a dent.

## In a separate instance of vandalism, an object was thrown or propelled through a storm window and interior window at 2 p.m. Saturday at James Treat home, 201 Lee avenue. Damage was estimated at \$14.

## Patient in Hospital

Miss Georgia LeMasters, 2218 Illinois avenue, is a patient in St. Elizabeth Hospital where she is reported critically ill. Miss LeMasters has been in the hospital for the past six weeks.

## Conduct Charge Filed

William C. Mathes, 15, of 2728 Marshall avenue, was arrested at 10:50 p.m. Friday at Tru M. Bowl on a charge of disorderly conduct. He was released on \$50 cash bond pending a hearing.

## Two Cars Damaged

Cars driven by Norbert J. Locke, 2486 Delmar avenue, and Douglas Street, Venice, were damaged about 7:45 p.m. in an accident on Highway 203 at the foot of the McCormick avenue overpass. Police said the mishap occurred when Locke, outbound on Highway 203, was forced out of his lane by a third car which was not involved in the collision.

## Burglars Attempt to Enter 2 GC Businesses

An attempted burglary at Co-han's Market, West 23rd street, and the Madison City Grocery, 1118 Douglas street, Venice, was reported about 1:30 a.m. today when intruders tried to enter by force a hole in the roof and dropping through a skylight window. The building was searched but nothing appeared to be missing, the owner said.

## An effort also was made to force entry into the Poonen Ford service station, 2701 Pontoon road, an employee told police at 10:27 a.m. Sunday. A lock was pried and damaged on the station's front door, but the thieves failed to enter the building.

## Madison to resolve an appropriation overdraft of more than \$14,000 in the lunch fund budget for general cafeteria operation.

## An amendment also was approved in the building fund appropriation to allow transfer of \$900 from the contingency fund to the insurance fund under fixed charges. An increase in rates resulted in an appropriation deficit in the insurance account.

## The board authorized Dragich to prepare the new 1970-71 budget and appropriation ordinance for presentation at the board's Aug. 20 meeting, and issued a call for final approval of the appropriation measure on Sept. 1.

## A bid in the amount of \$723 for painting the exterior of the Ford building education building at 1707 Fourth street, submitted by James M. Raub Painting Co., was accepted by the board. It was the lowest of six bids.

**VENICE PARK DISTRICT  
MADISON COUNTY, ILLINOIS  
ORDINANCE NO. 79**

AN ORDINANCE MAKING APPROPRIATIONS FOR THE VENICE PARK DISTRICT IN THE COUNTY OF MADISON AND STATE OF ILLINOIS FOR THE FISCAL YEAR BEGINNING MAY 1, 1970, AND ENDING APRIL 30, 1971.

BE IT ORDAINED BY THE BOARD OF PARK COMMISSIONERS OF THE VENICE PARK DISTRICT, IN THE COUNTY OF MADISON, STATE OF ILLINOIS:

SECTION 1: That this ordinance be and the same is hereby termed the "Annual Appropriation Ordinance for the Venice Park District, in the County of Madison and State of Illinois, for the fiscal year beginning May 1, 1970, and ending April 30, 1971."

SECTION 2: That the following sums of money be and the same are hereby appropriated for park purposes to defray all necessary expenses and liabilities of the Venice Park District for the fiscal year beginning May 1, 1970, and ending April 30, 1971, and for the additional purpose of accumulating moneys for improvement projects to be made in the future:

SECTION 3: That the amounts provided for herein as salaries for officers and as compensation of employees, are hereby fixed as the salaries and compensation to be paid said officers and employees for services to be rendered during the fiscal year beginning May 1, 1970, and ending April 30, 1971.

SECTION 4: That the objects and purposes for which said appropriations are made, and the amount appropriated to each object and purpose, are as follows:

<b>Total of All Appropriations .....</b>	<b>\$ 80,122.50</b>

SECTION 5: This Ordinance shall be in full force and effect from and after its passage, approval and publication according to law.

PASSED this 10th day of June, A.D., 1970.

**NOTICE FOR PUBLICATION**

TO: JAMES H. WARREN and to All Whom It May Concern:

Take notice that on the 12th day of June, 1970 a petition was filed under the Juvenile Court Act by Asst. State's Atty. V. Robert Mateosian in the Circuit Court of Madison County, Illinois, in the interest of James Warren, a minor, and that in Circuit courtroom at The Madison County Detention Home in Edwardsville on the 8th day of July, 1970 at the hour of 9:30 a.m., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held in the presence of the child declared to be a ward of the court under that Act, and to appoint a guardian with power to consent to adoption of the minor.

Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

**WILLARD V. PORTELL, Clerk**

Dated 18th June, 1970 by: **NORMA BUCHHEIM, Deputy**

**NOTICE FOR PUBLICATION**

TO: J. P. TURNER and to All Whom It May Concern:

Take notice that on the 12th day of June, 1970 a petition was filed under the Juvenile Court Act by Asst. State's Atty. V. Robert Mateosian in the Circuit Court of Madison County, Illinois, in the interest of Roland Terry Scott, a minor, and that in Circuit courtroom at The Madison County Detention Home in Edwardsville on the 24th day of July, 1970 at the hour of 1:30 p.m., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held in the presence of the child declared to be a ward of the court under that Act, and to appoint a guardian with power to consent to adoption of the minor.

Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

**NOTICE FOR PUBLICATION**

TO: BERNELL MELTON and to All Whom It May Concern:

Take notice that on the 11th day of June, 1970 a petition was filed under the Juvenile Court Act by Asst. State's Atty. V. Robert Mateosian in the Circuit Court of Madison County, Illinois, in the interest of Sharon Melton No. 70-128, a minor, and that in Circuit courtroom at The Madison County Detention Home in Edwardsville on the 10th day of July, 1970 at the hour of 1:30 p.m., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held in the presence of the child declared to be a ward of the court under that Act, and to appoint a guardian with power to consent to adoption of the minor.

Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

**WILLARD V. PORTELL, Clerk**

Dated 18th June, 1970 by: **NORMA BUCHHEIM, Deputy**

**NOTICE**

Public Notice is hereby given that on June 18th, A.D. 1970, a certificate was filed in the Office of the County Clerk of Madison County, Illinois, setting forth the names and post-office addresses of all of the persons owning, conducting and transacting the business known as COLLEGE & LAKESIDE, INC., Lakeview Acres, Collinsville, Illinois.

On this 18th day of June, A.D. 1970,

**EULALIA HOLT, County Clerk**

34-622-76

APPROVED this 10th day of June, A.D. 1970.

**JOHN F. MITCHELL, President**  
Board of Park Commissioners,  
Venice Park District

Attest:  
**LERAY D. KUTZ, Secretary,**  
Venice Park District  
(SEAL)

**STEEL FRAMEWORK** rises for Chemico Metals Corp. plant on site just south of juncture of Route 3 and Old Alton road north of Mitchell. The new plant is designed to produce 30,000 tons of refined copper per year, employing a work force of

120 persons at normal production levels. Production is expected to begin by late this year. Chemico Metals Corp. is a subsidiary of La Metallique S. A., of Brussels, Belgium.

**Future Physician Training at St. Elizabeth Hospital**

By Valerie Eve-um

He has wanted to be a doctor since grade school and, at the moment, shows an inclination toward the field of orthopedics, an interest moderately stimulated by a personal bout with polio as a young child.

The future physician is Keith Nunnelee, 22, a second-year medical student at Washington University School of Medicine, St. Louis, who recently started a work-experience job at St. Elizabeth Hospital.

Nunnelee counts himself fortunate to have an opportunity to become familiar with the inner workings of a hospital early in his medical training career and also welcomes the chance to earn funds while working a job related to his chosen profession.

He noted that such an advantage seldom accorded medical students prior to internship—in his case—three years from now. Most students rely on earnings secured outside the medical profession, frequently in construction work or similar seasonal occupations, to carry through their lengthy schooling.

**10-Week Period**

The young man will work at the local hospital for a ten-week period as part of a special summer job training program.

The work-experience project is sponsored by the Student American Medical Association, with cooperation and assistance from the Illinois Medical Society and the Illinois Chapter of the American Academy of General Practice.

At St. Elizabeth Hospital, Nunnelee expects to gain valuable experience in such areas as laboratory work, x-ray techniques, inhalation therapy and physical medicine.

He will observe carefully the operation of electronic equipment for surgery and surgery itself—all part of the overall program of exposure planned for him by the hospital staff.

**Pathologist Supervises**

Medical supervision will be carried out under the direct supervision of Dr. Harry McLean, pathologist.

It has been noticed, however, that many other physicians at the local hospital are also willing to take the youthful medical student "in hand" and discuss with him their own particular specialty or interest.

This practice is not uncommon. It was learned, especially in non-teaching hospitals where doctors seldom have contact with their eventual counterparts unless staff members at large institutions affiliated with medical schools.

Nunnelee is from a small town, New Berlin, Wis., but graduated from a large university—the University of Wisconsin at Madison—student population almost 60,000.

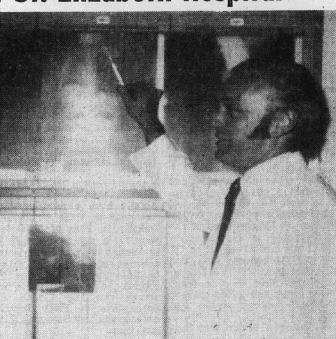

He is married, as are 17 or so of his classmates at Washington U., along with other major universities, renowned tuition fees this year will be increased from \$1800 to \$2200 annually.

Nunnelee is attending med school on an academic scholarship, plus financial aid granted through a student loan at low interest rates. Additional loans may be necessary in the next three years to complete his schooling—a fact which worries him when he discusses cuts in federal aid.

Commenting how pleasant the atmosphere inside St. Elizabeth Hospital, Nunnelee contrasted it sharply to the environmental pollution he noticed outdoors, calling the local air "not so good to breathe."

He also mentioned the condition of a lung, showing the mummified by a surgeon from an elderly patient, describing the organ "almost back in color."

"Of course, she may have smoked too," he added.

By Press-Record Staff Photographer

**RADIOLOGIST, Dr. Bernard S. Laitman (right), explains variations in x-ray negatives to Keith Nunnelee, a second year medical student at Washington University School of Medicine, who is spending ten weeks at St. Elizabeth Hospital through a work-experience program.**

**Homemakers' Corner**

Preventing Mildew

Take time, now, to prevent mildew. It can become a serious problem during the muggy summer months.

Mildew grows in areas that are damp, warm, poorly aired and poorly lighted.

Mildew is a thin, often whitish growth produced on many kinds of surfaces. In homes, it is found most often on cotton, linen, rayon, silk, wool, leather, wood and paper. Many man-made fibers resist mildew.

Places where mildew is often a problem include cellars, crawl spaces, closets, basements, recreation rooms and shower areas.

In addition to leaving a musty odor, the molds can cause considerable damage. They discolor fabrics and sometimes eat into them so severely that fabrics rot and fall apart. Damp clothes rolled for ironing are highly susceptible to mildew.

You can follow these suggestions for preventing mildew:

- Keep items as clean as possible to discourage mildew growth. Before storing any fabric item, launder or dry-clean it.
- In basement areas, try to remove the source of dampness. Fix leaks in pipes, windows, or the walls and vent dryers to the outside. Air conditioning units, when properly maintained, can help to remove excessive moisture from the air.
- Heating the house for a short period of time and then opening doors and windows will help remove the moisture-laden air.
- To dry the air in closets and other small areas, keep an electric light bulb burning continuously. If the space is not too large, the heat will be sufficient to prevent mildew. Be certain, however, to place the bulb so it is not a fire hazard.
- Use silica gel, activated alumina, or calcium chloride to absorb moisture from the air. Such chemicals are sold by department stores, drugstores and building-supply dealers.

**What's an Enzyme**

The word "enzyme" has become a familiar household word.

Enzymes are substances that speed up chemical reactions in the body. They are found in all living cells and are essential for life. Enzymes are made by the body and can be found in many foods.

Enzymes are used in many household products, such as laundry detergents, meat tenderizers, and food preservatives. They are also used in the food industry to make products like cheese and beer.

**Farm Column**  
By WARREN W. BUNDY  
Madison County  
Extension Adviser

**Soil Tests Important**

Soil tests are an inventory of the nutrients and acidity in your soil. Tests are an important guide to a soil treatment program for growing field crops, lawns and gardens.

Madison county farmers and homeowners have several thousand soil samples tested each year. A cupful of soil is enough for one soil sample.

The pH test measures acidity or alkalinity. A pH of 7.0 is neutral. Tests below 7.0 are acid, above 7.0, alkaline.

A pH test of 6.0 to 6.5 is satisfactory for growing crops. The results are in terms of elemental phosphorus, not P2O5.

P tests below 10 are low. A test of 40 or above is very high. A long-range P1 test of 40 is satisfactory. It is not necessary to build the P1 test higher than 40.

The P1 test is valuable in determining the amounts of available phosphorus that needs to be applied for growing various kinds of crops.

Another test is the P2 test. It measures total phosphorus in the soil. So the P2 test is always higher than the P1 test. The P2 test provides the basis for making rock phosphate recommendations.

The soil test for potassium measures pounds of available potassium per acre. It is the basis for making potassium or potash recommendations. Most of the soils in Madison county need 45 to 60 pounds of K2O per acre per year for field crops. Exceptions are the dark-colored bottomland soils which may need less than this amount, and alfalfa lands which need considerably more than that amount annually.

Alfalfa removes much potassium from the soil and will quickly starve unless the potassium removed is replaced. Annual top-dressing of alfalfa with a large amount of potassium fertilizer is important. Use at least 30 pounds of K2O for each ton of alfalfa hay removed.

We do not have a soil test for nitrogen. Nitrogen recommendations are based on research and experience rather than soil tests.

Soil labs can make accurate tests for secondary and minor elements such as zinc, copper, and others. But we need more information than we now have to interpret the results. Recommendations are based on research and experience rather than soil tests.

Soil treatment should be based on an individualized basis due to so many varieties involved. With that in mind, the following suggestions are offered for the farmer's soil treatment needs:

**Apply Limestone according to Soil Test Recommendations**

A usual phosphorus need is an average of 30 pounds of available phosphorus per acre, or apply rock phosphate according to acid tests. Wheat and other small grains need a larger amount of phosphorus.

Potassium needs are usually 45 to 60 pounds of K2O broadcast per acre per year, perhaps less on dark bottomland soil but more for alfalfa.

With a very low phosphorus test, a side-placement application of 30 or more pounds of available P2O5 per acre for corn and soybeans is advised if a broadcast application of potassium is not made.

is one of the most completely digestible and utilized foods. In high-quality fresh pork the lean will be firm, grayish-pink, or darker in color, and it will be moist and tender. A pound of marbling. Soft, pale, watery lean is definitely less desirable. Choose cuts that have plump, full, and tender meat and little fat. And a reminder, don't overcook pork. For juicy, tender, and moist meat, cook to an internal temperature of 179 degrees Fahrenheit instead of 185 degrees formerly recommended.

**Don't Stint Detergent**

If you're dissatisfied with the appearance of your "clean" laundry, it's the detergent manufacturer's instructions before you blame the product or your water.

Results of a recent study of household laundering habits showed that most women do not use enough detergent in their washing machines. The underuse of detergent means that the detergent powder may be the reason for inferior washing performance. Incidentally, the survey showed that about 40 percent of the consumers never bother to look at directions printed on the box. So for a clean wash, read the product label and follow directions.

## First Bids on July 8 After End of Highway Fund Freeze

A special letting for highway construction projects on Gov. Richard B. Ogilvie's 1970 road program in Madison and St. Clair counties, where use of federal funds was stopped July 1, 1968, has been scheduled for Wednesday, July 8, Public Works Director William F. Cellini announced Friday.

The freeze on federal funds was ordered by the U.S. Bureau of Public Roads because of alleged discrimination against employment of members of minority groups and the cost of construction in the two-county area.

"The federal government recently lifted the ban on use of federal funds for highway construction in the two-county areas," Cellini noted. "Now, the Division of Highways is ready to resume construction in this vital metropolitan area and the first step is to call for bids for work that has been delayed."

Gov. Ogilvie took the lead in promoting a plan for equal employment opportunities on highway construction in the two counties," Cellini continued. "This led to the Secretary of Transportation John A. Volpe in lifting the freeze on use of federal funds."

The plan calls for establishment of a six-member local Equal Opportunity Committee to oversee recruitment, training and placement of minority group persons in construction trades jobs.

**Training Programs**  
Training programs for six crafts are to be established, with 300 persons enrolled this construction season and 600 next year. The crafts are: chauffeurs, operating engineers, ironworkers, cement masons, carpenters and laborers.

A craft selection subcommittee will determine whether a member of a minority group

working in a trade would qualify for journeyman status and membership in a skilled trades union or whether he should be placed in a training program. Basic orientation and training programs are to be established for those applicants who do not qualify for journeyman status. Advanced trainees will be assigned to jobs at the ratio of one to every four journeymen and will receive a percentage of the journeyman wage, Cellini said.

The state will include the plan in all highway construction contracts in this area, thus making contractors responsible for its implementation. Two additional compliance offices, assigned only to Madison and St. Clair counties, are to be hired by the state.

Eight projects, seven of which are located in Madison county, have been listed for bids to be received at the special letting. The first four projects were previously listed for the June 23 letting but have been transferred to the July 8 letting.

The plan will be financed with state funds and were not subject to the freeze. By transferring the projects to the later date, however, they will be subject to the employment plan, Cellini said.

A list of the projects follows:

**Route Three Resurfacing**  
Madison county—3.79 miles of resurfacing on I-170 between the shoulders on I-170. From Cahokia diversion canal south of Hartford to a point south of Ferguson avenue in Wood River.

4.30 miles of resurfacing on I-170 between the shoulders on I-170 and the Madison-Jersey county line.

11.20 miles of resurfacing on I-170 between Highland and Interstate 55.

13.40 miles of widening and resurfacing and signing on I-170 between U.S. 66 and 40.

2.21 miles of pavement on Re-located I-170 northwest of Edwardsville.

1.42 miles of pavement on I-170 and I-171 between Alton and Bethalto, including two bridges over the East fork of Wood River creek and a box culvert, highway lighting, traffic signals and signing.

Widening of bridge over Burroughs branch of Cahokia creek, half-mile northwest of Edwardsville.

St. Clair county—Welded plate girder structures and 1.67 mile of pavement connecting I-170 to the Int. 55-70 Popular Street Bridge complex; also highway lighting system, traffic signals and signing, all in East St. Louis.

Additional area projects will be advertised for bids in later lettings.

**Nameoki Road Mishap**  
Autos of James Gornall Jr., Bethalto, and Gerald Padgett of Caroline blvd., Mitchell, collided on Nameoki road at 4:40 p.m. Saturday as Gornall attempted to enter the Bellemore shopping center.

**BB Shots Blamed**  
The right rear window of a 1963 Buick was shot out by vandals using a BB gun, Charles Sanders, 2418 Logan street, told police Thursday.

## Park Board at Venice Okays \$80,122 Budget

A new budget and appropriation ordinance projecting expenditures of \$80,122 during the 1970-71 fiscal year has been approved by the Venice Park district.

The new budget is an increase of \$9406 above last year's appropriation of \$70,716.

The higher appropriation is virtually all of the additional funds appropriated in the 1970-71 budget are in the recreational fund which has been set at \$32,260, compared with a 1969-70 total of \$21,500.

A decrease of \$1444 resulted in the general revenue budget in which budget items total \$42,542 for the 1970-71 fiscal year which began May 1. Last year's general fund items totaled \$43,986.

The higher appropriation for the recreational fund results primarily from increased labor costs. The board set up an item of \$12,000 for hourly wages in caring for playgrounds and equipment. This is a \$695 increase over last year's appropriation of \$800 for the same purpose.

A new item of \$400 designated for summer recreation program supervision also is included in the projects to the later date, however, they will be subject to the employment plan, Cellini said.

Other new items of the recreational fund, not listed last year, include \$500 for ornamentation of the park building at Christmas, \$2500 for new playground equipment, and \$300 for repair of equipment in the recreation building.

In the general revenue fund, the board set up an item of \$2,387 for care of the grounds at Lee Park, compared with \$2,368 in the 1969-70 budget. These items included \$12,000 in wages for labor, unchanged from last year, and \$2380 for lighting system (\$4800 last year).

Administrative costs in the general fund were reduced slightly from a total of \$8980 last year to \$8550 in the new budget. An item of \$1800 last year for a general foreman of maintenance was eliminated entirely, but the board raised to \$1500 the appropriation for payment of board members' expenses attending the Illinois Association of Park District conveners. This item was \$1100 last year.

**Election Fund Listed**  
The general fund this year also includes \$308 for election expense, an item that was included in last year's budget. The fund includes \$125 for postage, \$606 for supplies, \$50 for ballots and \$50 for public relations.

Appropriation for the Illinois Municipal Retirement Fund was set at \$3500, unchanged from last year, and the appropriation for the police department was unchanged at \$3100.

The sum of \$200 for the annual audit was budgeted, compared to \$600 last year.

The sum of \$1620 was budgeted for liability insurance, compared with \$1130 last year. Separate tax levies are approved for the auditing and liability insurance accounts.

Payments on principal and interest of the park district's building bonds are not listed in the appropriation bill. These are extended separately by the county clerk's office under the original bonding ordinance.

**Park is a Reality**  
"Horseshoe Lake state park became a reality on Oct. 15, 1969, when Gov. Ogilvie signed legislation under which the lake was added to the Illinois park system and funds were provided to purchase 1700 acres of the lakebed and adjacent land. This event culminated a campaign of more than 40 years by various organizations and community leaders.

If one person were to be selected as key in the fight to establish Horseshoe Lake as a park, it would have to be Mr. Henry Karandjoff, who was chairman of the Horseshoe Lake Park Commission since its inception. He found to keep the proposal alive through the 1950s and 1960s, in periods when hope

was slim and other advocates were almost discouraged.

"His persistence and tenacity inspired many of the supporters to continue their efforts, eventually tipping the scales to the achievement of a dream. The award is for outstanding individual accomplishment in project development."

**Honors for Gabriel**  
Leamon pointed out, in making the presentation to Henry Gabriel, that before becoming park board commission and president, Gabriel, a local architect, designed the Wilson Park ice rink.

"In addition to an excellent overall recreation program," Leamon said, "the Wilson Park ice rink district has one of the most attractive ice skating rinks in the nation, constructed at the cost of about \$475,000."

"The facility has attracted attention from park districts all over the nation. The pavilion, a futuristic structure containing a standard 85x185-foot skating area, was financed through a general obligation bond issue that was approved by a margin of nearly 4-to-1."

Passage of the bond issue climaxed a well-organized campaign and reflected the citizens' confidence in the park district board. The Granite City park district recreation center and ice rink opened on Oct. 27, 1967, and has had 147,223 skaters in the past three years.

"We are pleased to present our award for outstanding development for the facility to the Granite City park district."

**Former Granite Cityan**  
Presenting the award to Walton, the awards chairman pointed out the airport east of Alton came into being in 1946 and has been expanded from 120 acres to more than 1000 acres.

"The original 3600 foot landing strip has been lengthened to 5100 feet and a second 3700 foot runway was constructed in 1959 and is currently being lengthened to 6500 feet to serve larger corporate jets which are being used by local industries."

He added that the runways and taxiways are lighter, and a terminal building and control tower built. Currently, a new instrument landing facility is being installed.

**Other Plaque Winners**  
Also honored with plaques were Peter G. Solomakos, director of the St. Clair county Health and Welfare Council, for individual accomplishment in project development; Leo Wellbacher sr., of Columbia for a parking lot and turning left in creating the Our Lady of the

**Motorists Charged**  
Traffic arrests early Sunday included Richard Putnick, 1549 Rodger avenue, speeding at 17th street and Madison avenue, and Charles Holton, 20 Briarcliff, careless driving at 20th street and Madison avenue.

**Autos Collide**  
A collision at Franklin and Amos avenues at 5:45 p.m. Thursday involved autos operated by Susan E. Argent, 541 Chouteau avenue, Mitchell and Albert W. Bosch, 107 Lake drive.

**Parking Lot Collision**  
Autos of Dixie Lively, 2424 Roney drive, and Dorothy K. Kawa, 3223 Carlton avenue, were damaged in a mishap at 3:30 p.m. Saturday on the Bellemore shopping center lot.

**LOCAL SIMAPC AWARD WINNERS** who received plaques for accomplishments in the fields of planning and development from Southwestern Illinois Metropolitan Area Planning Commission. Left to right, Henry Gabriel, Granite City park district president, for the ice rink; M. D. Walton, a former Granite Cityan, and president of the Civic Memorial Airport Authority at Bethalto; Henry D. Karandjoff, chairman of the Horseshoe Lake State Park commission, and Edwin Leamon, chairman of the SIMAPC awards committee.

## Two Granite Cityans Honored by SIMAPC

Two Granite Cityans and a former Granite Cityan were among nine plaque recipients at the annual "quality development and civic responsibility" awards banquet of the Southwestern Illinois Metropolitan Area Planning Commission.

Local recipients were Henry D. Karandjoff, local banker, who was honored for "outstanding individual accomplishment" in a 40-year campaign for creation of a state park at Horseshoe Lake; and Henry Gabriel, president of the Granite City park district board, "for the district's outstanding development."

The former Granite Cityan honored was M. D. Walton, president of Civic Memorial Airport Authority, for "accomplishment in industrial development."

At the banquet held Thursday at Fischer's restaurant in Belleville and attended by 75 persons, Edwin Leamon, a SIMAPC commissioner and chairman of the awards committee, said the plaques are presented annually "to encourage quality development and civic responsibility and are made on the basis of meritorious accomplishment."

He added that SIMAPC, created by the General Assembly in 1963, was formed to meet the critical need for comprehensive planning and for coordination of development in Madison, St. Clair and Monroe counties.

In making the presentation to Karandjoff, Leamon pointed out the local recipient was not only chairman of the Horseshoe Lake State Park Commission but also president of SIMAPC. Leamon stated:

"Horseshoe Lake state park became a reality on Oct. 15, 1969, when Gov. Ogilvie signed legislation under which the lake was added to the Illinois park system and funds were provided to purchase 1700 acres of the lakebed and adjacent land. This event culminated a campaign of more than 40 years by various organizations and community leaders.

If one person were to be selected as key in the fight to establish Horseshoe Lake as a park, it would have to be Mr. Henry Karandjoff, who was chairman of the Horseshoe Lake Park Commission since its inception. He found to keep the proposal alive through the 1950s and 1960s, in periods when hope

## Coin Design Contest Open For City, Park Anniversaries

A contest for design of a coin commemorating the 75th anniversary of Granite City and the 50th anniversary of the Granite City park district next year.

The contest is being conducted by Charles Hileman, Harry Fechte, Russell Ames, local numismatists, to provide Granite Cityans with a right side at the city's Diamond Jubilee and the park district's Golden Jubilee.

The plan is for one side of the coin to commemorate the city's anniversary, and the other side, the park district's accomplishment.

Aiding in the design contest is Eugene Alst, art education consultant for the Granite City school district, who said the deadline for submitting designs will be July 15.

The first place winners each will receive a \$25 U. S. Savings Bond, and second prizes will be sets of the medals worth \$12.50. Each participant in the contest will receive a bronze medal.

The contest is open to both high school students and adults. The students are to present their designs to Alst, while other Granite Cityans may submit them at the Chamber of Commerce office, 1531 Delmar avenue.

Persons may enter designs for either one side of the coin or for both sides, and all entries are to be on 8 1/2 x 11 paper. A \$25 Savings Bond is to be awarded for each first place design, and the \$12.50 medals will be awarded to each second place winner.

The top winners will receive their awards immediately after the contest.

**LOSE UP TO 10 LBS. IN 10 DAYS ON MAGIC GRAPEFRUIT DIET**

That's right, thousands of Americans have solved their overweight problem with this startlingly successful diet plan. Stuff yourself on the permitted foods listed in this diet plan, and still lose weight and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain constant. A copy of this Magic Grapefruit Diet can be obtained by sending \$2.00 to:

## Consult

Jim Henderson

ABOUT THIS QUESTION:

"I like your Mobile Homeowner Policy that covers the home and equipment and personal belongings—including theft and personal liability. Is Collision protection also available for a trip or year-round coverage?"

## WANTED! MEN — WOMEN

Age 18 and over. Prepare now for U.S. Civil Service job openings during the next 12 months.

Government positions pay high starting salaries. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five pass.

Lincoln Service, Dept. IL 9-38, Pekin, Illinois.

I am very much interested. Please send me absolutely FREE (1) A list of U.S. Government positions and salaries; (2) Information on how to qualify for a U.S. Government Job.

COMPLETELY INSTALLED "FEDDERS"

WHOLE HOUSE AIR CONDITIONING

24,000 B.T.U. Reg. \$669

27,000 B.T.U. INSTALLED Reg. \$709

30,000 B.T.U. INSTALLED Reg. \$769

36,000 B.T.U. INSTALLED Reg. \$879

COMPLETELY INSTALLED SAVE \$60 SAVE \$70 SAVE \$80

HERE'S WHAT WE DO:

We will install Air Conditioning unit in your present forced air heating system. We will install coil in the heat chamber and mount the ceiling compressor outside on a concrete pad. We will connect with pre-charged lines up to 21 feet to both units. We will also attach electrical wiring leads to present service box, if adequate. Installation includes combination heating and cooling thermostat on first floor.

OPEN EVERY MONDAY AND FRIDAY NIGHT
